Candidate biography: For over 40 years, I documented, researched and challenged elected representatives with proven solutions. The current and past elected representatives were cowardly indifferent for working citizens' standard of living, civil and constitutional rights – except for themselves/family and friends. There are solutions – for racial unity-equality, for employment/jobs. For accountability/value for tax dollars for "at risk" "disadvantaged" citizens. For family/citizen safety, for honest, aggressive, bold, committed cooperation, understanding, mutual sharing of

tion, violent disorder that as: former N.C. Gov. Hunt stated "en"trap on welfare. Why? Not an acknowledgement. No apology. And resignation of elected representatives – who void civil and constitutional rights – and "trap" women and children in poverty, projects, prisons, prostitution – for generations – en"trapped" to substandard of education and training – cast to the hopelessness of crime, drugs, targeted to work for less and pay more – "trapped" voided equal protection from "terrorist"-racist-hate, sexual harassment.

The malicious inciting of racial division – voiding citizens unity of understanding and trust is un-American. "Who? You going to call . " when it "at risk" "

Would elected representative not apologize and resign from office for their horrific cowardly indifference of humanity removing fathers from home – we must not surrender today's and future generation freedoms to racial division.

Message From Governor James B. Hunt Jr.

North Carolinians have always believed in paying their own way, preferring a helping hand to a handout. That is the philosophy behind Work First, our innovative plan to reform welfare. Work First stresses work and personal responsibility as the foundation for building a better life. I am proud to say that Work First is working. More North Carolina families are finding their way out of the welfare trap and into the work force.

WHY? MUST WOMEN BE? EN-TRAPED TO POVERTY - ECT - ? BY ELECTED DEMOCRATICS

WHY? MUST ELDERLY DIALYSIS HAVE RACIST BE ASKED FOR $1,500.00 BY "FLOYD" TO HELP THEM?

HATE ACTS & WORDS BY BUSINESS BLIND, LAME, HOMELESS,

WHY? WITH MALICE & WANTON DESTRUCTION - TO INTIMATE, HARRASS, A VIOLENT DISORDER IN AMERICAN FAMILIES - REMOVING FATHERS FROM HOMES - LEAVING WOMEN AT RISK FOR BEING VICTIMS OF SEX/ABUSE/RAPE FOR FOOD - HOUSING ECT FOR THEIR CHILDREN?

WHY? NOT AN ACKNOWLEDGEMENT AND APOLOGY FOR MALFEANCE, SHAMEFUL AND FAILURE TO PROTECT CITIZENS? BY ELECTED DEMOCRATICS -

THERE MUST BE THE TOTAL COMMITMENT OF TO INSURE & PROTECT CIVIL & CONSTITUTIONAL RIGHTS OF ALL CITIZENS - THE FULL FAITH & TRUST FOR VALUE OF TAX DOLLARS - THE OBLIGATION OF PUBLIC SERVICE FOR IN KIND + SPECIAL DOLLARS - AS SEE BOB PARRISH FOR UN-EMPLOYMENT RIGHTS

NOT EVERY WELFARE FATHER RE
