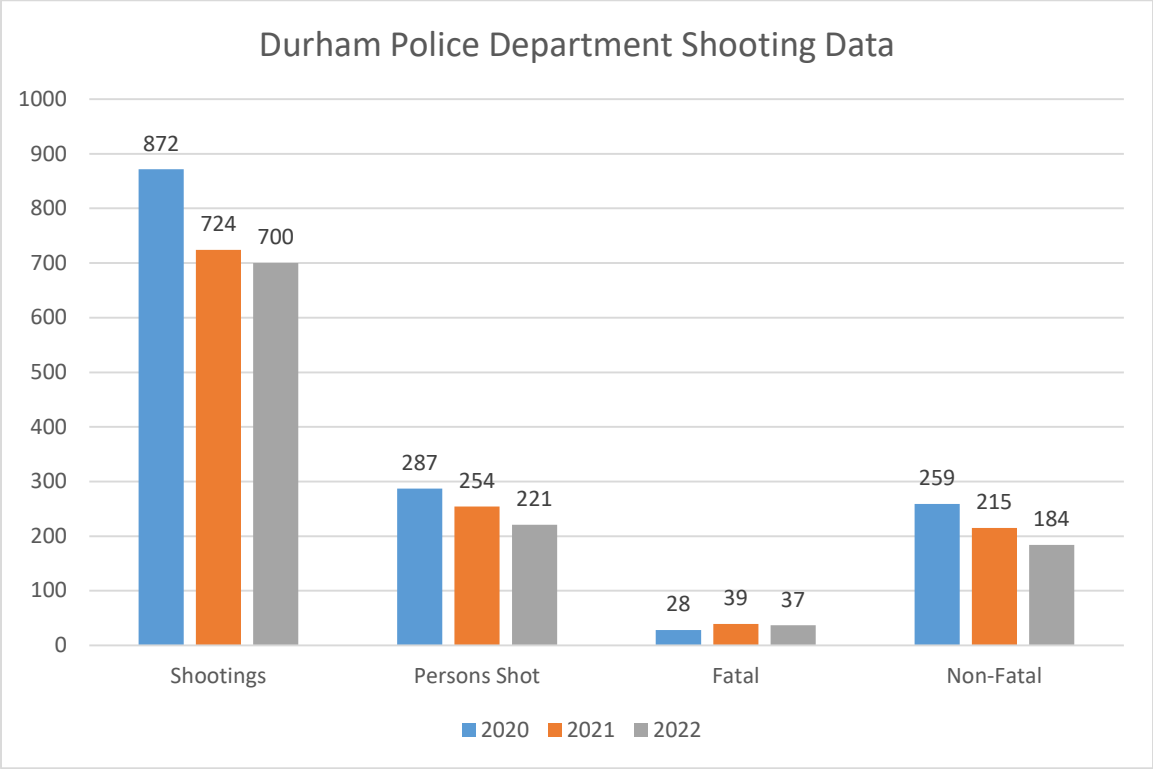
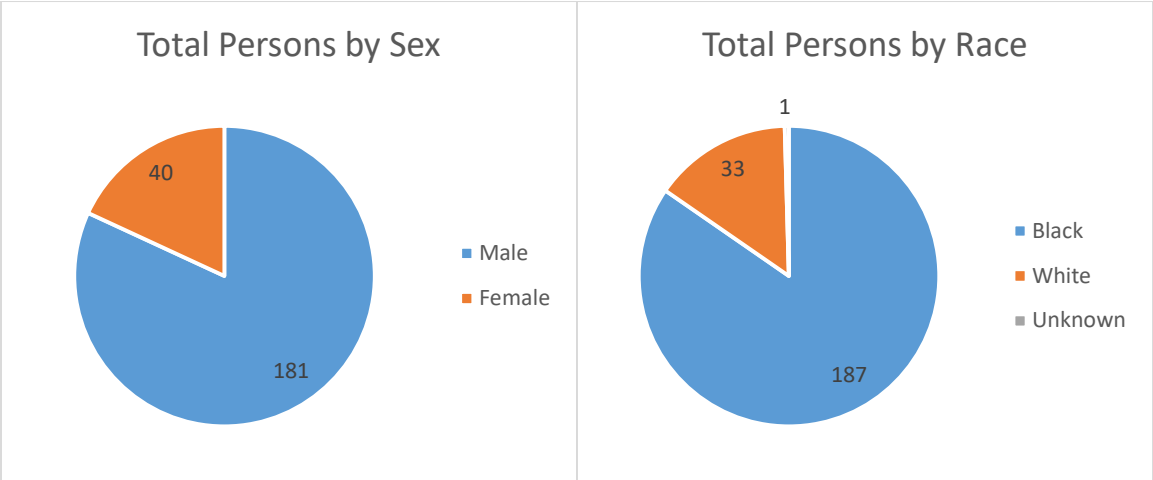
# Durham Police Department Shooting Data

*Year-to-Date through November 26, 2022*

The below chart compares data on shooting incidents year-to-date over a three-year period. A shooting incident is defined as an event reported to police involving the criminal discharge of a firearm, and does not include accidental or self-inflicted shootings.



---


The charts below provide demographic data for persons shot (fatal and nonfatal) in the current year.
