Mr. Bentley,

Per our phone conversation yesterday (4-30), your septic system is failing per our rules (15A NCAC .1961).
There are no repair options for your property.
The only option left for your property is to connect to sewer.

Let me know if you have any questions.

Dear Mr. Bently:

You are hereby notified that you are violating Article 11 of Chapter 130A of the General Statutes of North Carolina by owning or controlling a residence which is not provided with an approved wastewater system. Your wastewater system is not in compliance.

On March 10, 2014 an inspection of the wastewater system by the Durham County Department of Public Health indicated the following violations:

Violation	Law or Rule
1) Discharge of sewage or effluent to the surface of the ground.	15A NCAC 18A .1961(a)

You are hereby ordered to bring your wastewater system into compliance by completing the following:

_X_ Connect to municipal sewer. Contact City of Durham Public Works at (919) 560- 4326 to arrange connection to sewer.

If the wastewater violation is not brought into compliance by April 10, 2014, appropriate legal action will be taken.

Failure to comply with the laws, rules, and this notice will subject you to the following legal remedies; Injunction Relief [G.S. 130A-18], Administrative Penalties [G.S. 130-22(c)], Suspension or Revocation of Permits [G.S. 130-23], and Criminal Penalties [G.S. 130-25].
