RE: Z1400020 US 70 Self Storage Center

The existing Development Plan for this site located at 3415 East US Highway 70 does not permit a driveway location onto US Highway 70 as is proposed on this Development Plan (Z1400020). The proposed Development Plan does not remove any previous commitments.

Please note that the proposed development plan only covers a portion (7.5 AC) of the previous development plan (14.1 AC).
