Based on your qualifications and experiences, briefly describe why your service on the above BOARD/COMMITTEE/COMMISSION would be beneficial to the City of Durham _____

My positive personal experiences as a bus-rider over the last six months will make me an interested, enthusiastic member of a group working to maintain and improve an important resource for Durham residents. My active involvement in my own neighborhood association and community over the last 15 years and part-time work downtown at Brightleaf over the last six years make me a citizen knowledgeable about attitudes and needs within at least a segment of the Durham community. My work experience at Duke University over the last 23 years has taught me how to speak articulately and work cooperatively with others in researching and problem-solving on many issues, as well as implementing specific plans.

Other information you consider pertinent: (i.e., Civic memberships, related experience, etc.)

For 4-month period, July-October 2007, I used DATA as my only means of transportation to and from work and around town for personal errands, shopping, and appointments. This was an overwhelmingly positive experience for me, and one which I wish other Durham citizens would consider as viable, efficient (relatively), and safe. I also ride occasionally now from time to time when it's not too cold. Once consistently warm weather returns, I plan to resume regular ridership.

Northgate Park Neighborhood Association: Active member since 1992. Currently serve as Treasurer, as I did for several years in the mid- to late 1990s.

PROPERTY TAX LISTING MUST BE CURRENT. CITY AND COUNTY TAXES MUST NOT REFLECT ANY DELINQUENCY AT THE TIME OF SUBMISSION OF THE APPLICATION.

ALL INFORMATION ON THIS DOCUMENT WILL BE RELEASED TO THE PUBLIC ON REQUEST.
