DOCUMENT 00 41 43

BID FORM - UNIT PRICE (SINGLE-PRIME CONTRACT)

To: The City of Durham, North Carolina
c/o The City Manager
101 City Hall Plaza
Durham, North Carolina 27701

Date: 6-19-14

Project: Unscheduled Pipeline Repair Contract

Name of Bidder: J.F. Hetherson Const Co Inc
Address of Bidder: 10710 Chapel Hill Rd
Morrisville, NC 27560

Phone Number of Bidder: 919 467-1829

Contact Person for Bidder: John Patrick

Phone Number of Contact: 919 467-1829 #8

Bidder's NC General Contractor's License Number (required):
4499

1. OFFER

The undersigned Bidder hereby declares that the names of all persons interested in this Bid as principals appear in the blank spaces hereinafter provided for such purpose, that this Bid is in all respects fair and without collusion, that the Bidder has examined the locations of the proposed Work, the Advertisement, the Instructions to Bidders, the Technical Specifications, SDBE requirements of the Department of EO/EA of the City of Durham, the Contract Documents and bond forms, and the Drawings therein referred to and fully understands the same and agrees and accepts the terms and conditions thereof, that it is understood that the estimated quantities are approximate only and are given for the purpose of comparing Bids upon a uniform basis, and that said estimate shall in no way affect the unit prices for the Work.

The undersigned Bidder hereby agrees to furnish at the Bidder's cost the expense of all the necessary labor, tools, apparatus, machinery, equipment, transportation, and all other things which may be required to fully and properly perform all the terms, covenants, provisions, and agreements of the annexed Contract.

The undersigned hereby agrees to do said Work and furnish said materials as prescribed in the Contract Documents and Technical Specifications, and, according to the Drawings and requirements of the Engineer under said Contract Documents and Technical Specifications, in a first-class manner and to the best of the undersigned's ability at the following unit prices.

Having examined the Site of the Work and all matters referred to in the Instructions to Bidders and the Contract Documents prepared by the Engineer for the Project, we, the undersigned, hereby offer to enter into a Contract to perform the Work for the unit prices listed in this Bid form in lawful money of the United States of America.

We have included the Bid security as required by the Instruction to Bidders.

All applicable federal taxes are included and State of North Carolina taxes are excluded from the unit prices.

2. ACCEPTANCE

This offer shall be open to acceptance and is irrevocable, except as required by law, for ninety (90) days from the Bid opening date.

If this Bid is accepted by the City of Durham within the time period stated above, we will:

-Execute the Agreement within twenty (20) days of receipt of Notice of Award.

-Furnish the required bonds within twenty (20) days of receipt of Notice of Award.

-Commence Work within ten (10) days after written Notice to Proceed.

If this Bid is accepted within the time stated, and we fail to commence the Work or we fail to provide the required bonds, the Bid security shall be forfeited as damages to the City of Durham by reason of our failure, limited in amount to the lesser of the face value of the security deposit or the difference between this Bid and the Bid upon which a Contract is signed.

In the event our Bid is not accepted within the time stated above, the required security deposit will be returned to the undersigned, in accordance with the provisions of the Instructions to Bidders; unless a mutually satisfactory arrangement is made for its retention and validity for an extended period of time.

3. CONTRACT TIME

If this Bid is accepted, we will:

-Complete the Work in 365 calendar days from Notice to Proceed.

4. UNIT PRICES

Project: Unscheduled Pipeline Repair Contract

The following are unit prices for specific portions of the Work as listed. The unit price Bid for items in this Contract are for furnishing, installing all items of Work as indicated on the Drawings and Technical Specifications, complete, in place and accepted, per the City of Durham Standards and Specifications, North Carolina Department of Transportation (NCDOT) Standards and Specifications, and the North Carolina Department of Environment and Natural Resources (NCDENR) Erosion and Sediment Control Planning and Design Manual. 8. SAFETY

Past Safety Performance

It is the policy of the City that when a City Department solicits and receives bids for projects involving construction and repair that the bid documents include a request for historic safety record information from the bidder that will be used by the City of Durham in the evaluation of bids received. This safety record review is only one of many bidding criteria that may be

evaluated in determining the lowest responsible, responsive bidder for construction and repair contracts.

1. OSHA DART Incident Rate. Provide the bidder's DART Incident Rate calculated from OSHA's Form 300 for the last three years for the North American Industry Classification System (NAICS) Code 23711. The bidder must attach all supporting documentation and calculations including certified OSHA forms.

YEAR	CONTRACTOR **DART** INCIDENT RATE
2012	3.52
2011	3.96
2010	0

2. Experience Modification Rate (EMR). Provide the bidder's most recent Experience Modification Rate (EMR) based on insurance claims history. The bidder must provide the source of the EMR information and contact information of insurer entity providing the EMR.

YEAR	CONTRACTOR **EMR**	NAME AND CONTACT INFO FOR **EMR** INFORMATION
2014	1.08	Judy Sterland 919 467-1829 X5

3. Answer the following OSHA Specific Questions:

(a) Within the last 2 years, has the bidder received any citations classified by OSHA as being (1) serious, (2) willful and/or (3) repeat violations where your company operates?

Yes ✓ No _____

If yes, attach a copy of each such citation and violation.

(b) Has the bidder experienced any work-related fatalities within the last five years?

Yes ✓ No _____

(c) Has the bidder had any citations issued by OSHA as a result of work related fatalities within the past 5 years?

Yes ✓ No _____

(d) Is the bidder under investigation for any work-related fatalities?
Yes _____ No ✓

(e) If your answer is "yes" to 3(b), (c) or (d), please provide a copy of the citation(s), list of number(s) of fatalities and documented explanation of the fatality.

4. Safety Plan:

(a) Does the company have a written safety program that includes responsibility for all aspects of safety management?
Yes ✓ No _____

(b) Does the company have a written plan for safety training of new employees and ongoing training of existing employees?
Yes ✓ No _____

(c) Does the company have documented evidence of safety training that they have conducted?
Yes ✓ No _____

(d) If the company has employees with limited English ability, does the company have a written plan for ensuring that their employees understand the training they are being given?
Yes ✓ No _____

(e) Do all supervisors have an appropriate documented level of OSHA training (e.g., a minimum of 30 hour OSHA construction safety training)?
Yes ✓ No _____

(f) Do employees have documented basic OSHA 10 hour construction safety training?
Yes ✓ No _____

(g) Does the company have a documented Hazard Communication Program?
Yes ✓ No _____
