Instructions for Completing Contract Documents

1. This contract must be executed in duplicate originals and returned within 30 days to the City's Purchasing Department for execution by the City. One original will be returned to your firm and the other will be filed with the City Clerk.

2. If the Seller is a corporation...
   (a) An original corporate seal must be affixed.
   (b) The correct corporate name must be used. If a division of the corporation is involved, the corporation itself should execute the contract.
   (c) This signature must be that of one of the following: (1) the President, (2) Vice President, or (3) a person authorized by the board of directors to execute contracts in general or this particular contract.
   (d) If someone other than the President or Vice President signs, then you must attach a copy of the resolution of the board of directors authorizing the other person to sign the contract. That copy must be certified by a corporate secretary, with the corporation's seal impressed on it. A document in the following form will comply with these requirements, although other forms may also be acceptable:

Resolution Authorizing Execution of Contracts

RESOLVED, that _____ shall have authority to enter into contracts with, and to execute performance bonds for the benefit of, the City of Durham, N.C., in the name of and on behalf of _____ related to City of Durham Bid No. _____.

I, a Secretary or Assistant Secretary of the corporation whose name is indicated hereinabove, certify that the foregoing is a true copy of a resolution of duly adopted by the Board of Directors of said corporation, and that said resolution is still in effect.

This the _____day of _____, 20____. _____
(Affix corporate seal) Secretary of Assistant Secretary

3. If the Seller is not a corporation...
   (a) The individual owner or partner must sign.
   (b) The notary public's signature will be understood to mean that the notary certifies that the person whose signature is to the right of the notary's signature appeared before the notary and acknowledge the execution of the contract.

4. WHEN A PERFORMANCE BOND IS REQUIRED - (a) The principal amount is the full amount of the contract. (b) The form provided by the City must be executed by a corporate surety **authorized to do business in North Carolina**. The N.C. resident agent's name and address and the surety's address must be shown. (c) The Power or Attorney for the surety's Attorney in Fact must be attached to the bond. The surety's corporate secretary must indicate that the Power of Attorney is still in effect. The surety's corporate seal must be actually impressed on the Power of Attorney. (d) The Attorney in Fact's signature must be notarized. Contact the Purchasing Department if you need a notarization form. (e) the seller must execute the bond, using instructions 2 and 3 above as to how to do so.

5. Don't alter the documents without first obtaining authorization from the City's Purchasing Department.

6. Warranties and Indemnification. In addition to other warranties made in this transaction, Seller represents and warrants that all of the products furnished under this contract, the process by which those products are made, and their use will not infringe any patent, trademark, or other rights of any other person, firm, or corporation, and Seller shall defend, indemnify, and hold harmless City and its officers, officials, agents, contractors, and employees from and against any and all claims, judgments, costs, damages, losses, demands, liabilities, obligations, fines, penalties, royalties, settlements, and expenses (including interest and reasonable attorney's fees assessed as part of any such item) arising out of any (i) actual or alleged infringement of any such patent, trademark, or other rights, or (ii) (except to the extent that the personal injury, death, or property damage is caused solely by negligent or intentional acts or omissions of the City) personal injury, death, or property damage allegedly caused by or resulting from the delivery to the City of, or the manufacture, construction, design, formulation, development of standards, preparation, processing, assembly, testing, listing, certifying, warning, instructing, marketing, selling, advertising, packaging, or labeling of any product furnished to the City under this contract. Without reducing City's rights under this section, Seller, in case of an actual or threatened claim, may at Seller's option and expense procure for City the right to continue using the products furnished under this contract. (The preceding sentence does not pertain to part "(ii)" of the first sentence of this section.)

7. The individuals executing this contract warrant that they have authority to execute this contract on behalf of the Seller.

8. This Contract shall be deemed made in Durham County, North Carolina, and shall be governed by and construed in accordance with the law of North Carolina. The exclusive forum and venue for all actions arising out of this Contract shall be the North Carolina General Court of Justice, in Durham County. Such actions shall neither be commenced in nor removed to federal court. This section shall not apply to subsequent actions to enforce a judgment entered in actions heard pursuant to this section.

NON-DISCRIMINATION PROVISION

"The City of Durham opposes discrimination on the basis of race and sex and urges all of its contractors to provide a fair opportunity for minorities and women to participate in their work force and as subcontractors and vendors under city contracts."
