River Basin	Neuse	Stream Basin	Brier Creek, Little Lick Creek
Determination/Recommendation/Comments			
Staff	Approval		
Planning Commission	Approval, per attached resolution adopted by the Commission on December 13, 2005.		

A. Summary

This is the initial zoning of property newly annexed into the City, effective August 1, 2011. A direct translation from County to City zoning is proposed.

B. Statutory Requirements

State Statutes (General Statute 160A-360) require that a municipality annexing land place its zoning designation on the property within 60 days of the effective date of the annexation.

C. Staff Analysis

The zoning involves the translation of identical zoning from the County jurisdiction to the City jurisdiction. There are no differences in uses, or in the regulations governing those uses under the Unified Development Ordinance, between the City and County jurisdictions.

The site is located in the Suburban Tier and the current zoning in the County is RR. If approved, RR development in the City's jurisdiction will have to meet the same requirements.

D. Notification

Staff certifies that newspaper advertisements, letters to property owners within 100 feet of the site and the posting of a zoning sign on the property has been carried out in accordance with Section 3.2.5 of the UDO. In addition, the following neighborhood organizations were mailed notices:

- Inter-Neighborhood Council
- Fayetteville Street Planning Group
- Friends of Durham
- Unity in the Community for Progress
- Olive Branch Road Association
- RDU HZO Permit Area

E. Recommendations

Staff recommends approval of this initial zoning from RR; F/J-B (partial) (County jurisdiction) to RR; F/J-B (partial) (City jurisdiction).

Planning Commission recommends approval, per the resolution adopted by the Commission on December 13, 2005 and attached to the staff report.
