Stone Hill Estates would like to address the following:

1) Bonds:

Stone Hill Estates would like to know the exact amounts of the bonds.

It was reported in the March 14, 2011 article of the Herald-Sun that a spreadsheet had been presented to the Herald-Sun that "\$79,000 available to complete the work on Lodestone and Citrine, along with \$262,000 that targets other parts of the neighborhood".

Are these figures based on the actual amounts of the bonds?

2) Storm Water Ponds:

There are three (3) storm water ponds located in Stone Hill Estates. Two (2) have been found to be defective. The one located in Phase III is completely full and contains algae.

Will repairs to the ponds be made out of the \$262,000 that was previously reported or how will repairs be made?

When can we expect a status report regarding Stone Hill Estates?

Stone Hill Estates requests a written response to these issues.

Respectfully submitted,

Berma Norris
Vice President - Stone Hill Estates HOA
