

Planning Commissioner Comments from the August 14, 2012 meeting.

Duraleigh Investments Plan Amendment - A1100013

Mr. Davis – I move approval.

Mr. Gibbs – I approve the plan amendment for this site proposed development. Could contribute to a “neighborhood feel” and function w/o great impact on infrastructure.

Mr. Harris – Vote for approval.

Mr. Jones – No comment.

Mr. Martin – Good use of land and improvements for the area.

Mr. Smudski – Size and shape of property with the water reassurance suggest the recommended zoning is appropriate, does not affect any use inventories.

Mr. Whitley – I voted to approve.
