

RESOLUTION EXEMPTING
THE RELOCATION OF THE
HOUSEHOLD HAZARDOUS WASTE DROP-OFF FACILITY PROJECT
FROM G.S.143-64.31

WHEREAS, G.S. 143-64.31 requires the initial selection of firms to perform architectural, engineering, surveying, and construction management-at-risk services to be with notice to firms of the opportunity to submit qualifications for consideration and without regard to fee, and it contains requirements regarding which firms are to receive such notice;

WHEREAS, the City proposes to enter into such a contract for such design services for the Relocation of The Household Hazardous Waste Drop-Off Facility; and

WHEREAS, the firm of CHA Consulting, Inc. was originally selected for Phase I of the Comprehensive Solid Waste Disposal work related to this project in March 2011 by the process described above; and

WHEREAS, re-advertising these additional services for the project would add substantial time to the project without any appreciable gain by the City;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF DURHAM RESOLVES:

Section 1. The above described project is hereby made exempt from the provisions of G.S. 143-64.31 for the reasons stated in this resolution.

Section 2. This resolution shall be effective upon passage.
