

**RESOLUTION FOR APPROVING THE 2007 LOCAL WATER SUPPLY PLAN  
FOR THE CITY OF DURHAM**

WHEREAS, North Carolina General Statute 143-355 (l) requires that each unit of local government that provides public water services or plans to provide such services shall, either individually or together with other such units of local government prepare and submit a Local Water Supply Plan; and

WHEREAS, as required by the statute and in the interests of sound local planning, a Local Water Supply Plan for the City of Durham has been developed and submitted to the Durham City Council for approval; and

WHEREAS, the Durham City Council finds that the Local Water Supply Plan is in accordance with the provisions of North Carolina General Statute 143-355 (l) and that it will provide appropriate guidance for the future management of water supplies of the City of Durham, as well as useful information to the North Carolina Department of Environment and Natural Resources (DENR) for the development of a state water supply plan as required by statute; therefore

BE IT RESOLVED, by the Durham City Council that the 2007 Local Water Supply Plan for the City of Durham is hereby approved and shall be submitted to the Department of Environment and Natural Resources, Division of Water Resources; and,

BE IT FURTHER RESOLVED that the Durham City Council intends that this plan shall be revised to reflect changes in relevant data and projections at least once every five years or as otherwise requested by DENR, in accordance with the statute and sound planning practices.

This the \_\_\_\_ day of \_\_\_\_\_, 2013.
