Dear Mr. Shunk:

This letter is to inform you that a protest petition has been submitted to the City Clerk's office concerning your zoning map change application, Z12000001, Meadows at Southpoint. The petition was reviewed by the Planning Director and City Attorney's office and was found to be valid.

Per Unified Development Ordinance Section 3.15.13C.5, zoning map change requests for which a protest petition has been found valid shall require a $\frac{3}{4}$ vote of the City Council for approval rather than a simple majority. The Planning Director has notified the City Clerk of the validity of the protest petition and the City Council will be notified at the time it considers this item.

If you require additional information or have any further questions, please contact me at 919-560-4137, X28253 or email me at Scott.Whiteman@durhamnc.gov.

Sincerely,

Scott Whiteman, Planning Supervisor
