DWM DIRECTOR

Subject: LWSP Meets Minimum Criteria
City of Durham
PWSID#: 03-32-010
Durham County

Dear Ms. Westbrook,

This letter is to notify you that our staff has reviewed the information contained in the 2007 Local Water Supply Plan (LWSP) update submitted by your office. Since all the required information is complete, the LWSP for the City of Durham hereby meets the minimum criteria established in North Carolina General Statute 143-355 (l).

Your water system's 2007 LWSP is now viewable online from the *Local Water Supply Plans* link at <http://www.ncwater.org/>. The plan has been made available after our best efforts to screen any errors. As a final check, please review and report any mistakes or omissions to the review engineer. Unless notified otherwise, the Division of Water Resources considers your 2007 LWSP complete.

The 2007 LWSP must next be adopted by your water system's governing board; a model resolution is enclosed for guidance. A copy of the signed resolution must be submitted to Linwood Peele, Chief of our Water Supply Planning Section, at the address printed at the bottom of this letter. The LWSP cannot be considered compliant with the requirements of NCGS 143-355(l) until an adopted resolution is received.

Thank you very much for your efforts to provide your customers with a safe and reliable supply of drinking water. We look forward to continuing to work with you in these efforts. Please contact Vardry E. Austin at vardry.austin@ncdenr.gov or (919) 707-9002, or Linwood Peele at linwood.peele@ncdenr.gov or (919) 707-9024 if we can be of further assistance.

Sincerely,

Linwood E. Peele

Enclosure
