Pol. This letter is in

reference to the letter from the Department of Transportation dated April 7, 2014. It states that controlled Residential Parking Area signs will soon be installed in the 1300 and 1400 blocks of Rosewood

Street. ~~Such~~ These sign would be unsightly and not necessary in the opinions of some residents. Furthermore, the idea of having to apply for parking decals to display that ^{we} residents live in the area do not set well with those of us that disapprove of the signs, particularly the 1300 block. It is agreed by the signees below that the ~~city~~ ~~of~~ ~~the~~ City do not install signs on their block and object to having to apply for decals.
