

Liberty Arts

For Art. For Durham. For Everyone.

LIBERTY ARTS

IS UNIQUE

Liberty Arts is community-focused and community-grounded. Our founding principle is “give back to the community”, use Public Art to reach and improve the daily lives of our neighbors.

“Liberty Arts will improve our communities, using the unique virtues of Public Art to bring beauty, aspirations, thoughtfulness into the busy hum of everyday life. Our goal is simple: to make our community a better place to live, to work and to raise a family.”
