Re: Recommendation of Award
North Durham WRF
Generator Improvements
Single Prime Contract No. 5
Hazen & Sawyer Project No. 30751-007

Mr. Lobdell:

We received four bids for the Project referenced above on October 29, 2014 as detailed in the attached official certified bid tabulation, and the low bidder was Crowder Construction. We have worked with Crowder on other projects in the past and have had favorable experiences.

Assuming the City finds all applicable SDBE documentation acceptable, we recommend that the City award the Project to Crowder who submitted the lowest Total Base Bid Amount of \$3,775,200.00.

If you have any questions or require additional information, please contact me at 919-833-7152 or fbuser@hazenandsawyer.com.

Very truly yours,

HAZEN AND SAWYER, P.C.
