The Durham Bicycle and Pedestrian Advisory Commission (BPAC) reviewed the project and believes the project would better serve the needs of the community if the following item is included:

1. Add text commitment on the development plan to provide, subject to approval by NCDOT and the City of Durham, a sidewalk along the entire project boundary adjacent to NC 751, with a crosswalk across NC 751 at the I-40 ramp to connect to the sidewalk on the east side of NC 751 (which is the only side that has a sidewalk across the bridge over I-40).
