Date: May 5, 2015  
To: Durham City Council  
From: Don Moffitt, Co-Chair, Health Task Force, MPRI  
On Behalf Of: Wanda Boone, Heidi Carter, L'Tanya Gilchrist, Co-Chairs

As previously announced, the Health Task Force of the Mayor's Poverty Reduction Initiative is focusing our efforts on one initiative, Community Health Workers (CHW).

Today's presentation will focus on

- The task force: members, vision and focus (Heidi Carter)
- The initiative (L'Tanya Gilchrist)
- Tasks before us now (Wanda Boone)

On behalf of the task force Fred Johnson, the Vice Chief of Duke University's Division of Community Health, has assembled 11 documents related to CHWs. Three of them are attached to the agenda:

- \_TABLE OF CONTENTS
- 1 CHW\_Introduction.pdf
- 7 Scope of Service (Kentucky).docx

The entire set of documents is on the MPRI's Codinetx website at:

Or shortened at <http://s.coop/1wl07>

We are working to also get the documents onto a publicly accessible City of Durham website, but in the interim I would be happy to forward them to any interested people.
