CITY OF DURHAM

Date: September 3, 2015

To: Thomas J. Bonfield, City Manager

Through: W. Bowman Ferguson, Deputy City Manager

From: Jina B. Propst, Assistant Director, General Services Department

Subject: Response to Council Questions regarding the Google Hut Site Licenses

At the August 20, 2015 City Council work session, additional information was requested regarding the screening and vegetative planting plan for the various hut sites currently being considered for approval by Council. In response, Google prepared and presented the attached information for Council's review.
