Case #:

Case Planner:

Street Closing Process

ONLY COMPLETE APPLICATIONS CAN BE ACCEPTED

Street Closing requests require a public hearing conducted by the Governing Body, either the **City Council** (if the request is within the City jurisdiction) or the **Board of Commissioners** (if in unincorporated Durham County). Attendance at the hearing is strongly recommended. Applicants may represent themselves or have someone as their spokesperson. The public hearing will allow all interested parties to speak and ask questions.

The governing body may approve or deny a request. An approved request can be **appealed by an opposing party to the Superior Court within 30 days**. Requests that have been approved cannot be recorded until the end of the **30-day waiting period**.

Review Process:

- A complete application with the fee paid in full is submitted to the **City Clerk's Office** or **County Clerk's Office**, depending on jurisdiction.
- The Planning Department is forwarded the application for processing and review.
- The Planning Department distributes the request to various City and County departments and utilities, such as Duke Energy, PSNC, etc., and awaits comments from these departments and agencies.
- The Planning Department forwards comments, along with corrections (if any) needed for the *Street Closing and Recombination Plat*, to the applicant.
- Once comments are addressed and the draft plat is deemed to be correct and recordable, the request is scheduled for the Governing Body to "Set a public hearing."
- The governing body will generally conduct the public hearing a month from the date it sets the public hearing.
- The governing body conducts the public hearing and can approve, deny or continue the case if it deems more information is needed before a decision can be made.
- If approved, a 30-day waiting period begins to allow for an appeal to the Superior Court.
- If no appeal is filed within the 30-day period, the order to close the street, along with the *street closing recombination plat*, is recorded. Planning staff will contact the applicant to acquire the appropriate number of copies and the fee to record all documents.

Contact Information: If you have any questions, please contact the City-County Planning Department at (919)560-4137 between 8:00 a.m. and 5:00 p.m. on weekdays.
