Mr. Coleman Brown

City of Durham

Durham, NC

Good morning Mr. Brown,

It was nice to see you at our governmental event last month in Clayton. On behalf of Cam Crumpler I am sending you the requested information concerning our NJPA contract offerings. As you know, Gregory Poole equipment company is a dealer for Caterpillar equipment and Leeboy paving products. Each manufacturer is on the co-operative contract with NJPA. The Caterpillar contract # is 060311-CAT and Leeboy is 113012-VTL. The products you inquired about, Cat PM-102 cold planer and LB 8515 paver, are each part of the NJPA contract.

If need more info or have any questions do not hesitate to contact us. We appreciate your business.

Regards,

Glenn Foley
