## Behavioral Interviewing

*“The most accurate predictor of future performance is past performance in a similar situation.”*

As behavioral interviewing grows in popularity it becomes increasingly more important for the modern job seeker to be prepared.

Many of us understand traditional interviewing; however, are we ready for behavioral interviewing?

Come find out about the various styles of interviewing.

Learn the Situation, Task, Action and Results methods to unlock your next great interview.

*The Professional Placement Network (PPN) provides targeted career services to adult professionals.*
