**Leesville/Andrews Residential (Z1500001)**

**Buzby:** This proposal makes sense given the current nearby developments. I vote to support.

**Gibbs:** Development approved.

**Harris:** Voted for.

**Hollingsworth:** Approval.

**Kanchan:** I vote yes. This development is consistent with both the comprehensive plan and the future land use plan. It is also consistent with other developments in the area.

**Miller:** The council should vote to approve this rezoning. It seems entirely consistent with the comprehensive plan and the prevailing low-density land use patterns in the area. The council should note that the development is also the subject of a voluntary annexation request.

**Whitley:** I vote to approve.
