The Durham Bicycle and Pedestrian Advisory Commission (BPAC) reviewed the project and believes the project would better serve the needs of the community if the following items are included:

1. Add text commitment to provide crosswalks and pedestrian signals at the intersection of N. Roxboro Street and Site Driveway / Hewitt St., subject to approval by the City of Durham and the N.C. Department of Transportation.
2. Add text commitment that outdoor display will not impede pedestrian access and will not obstruct motorists' views of pedestrians walking through the site.
