Households by income, race and ethnicity

7

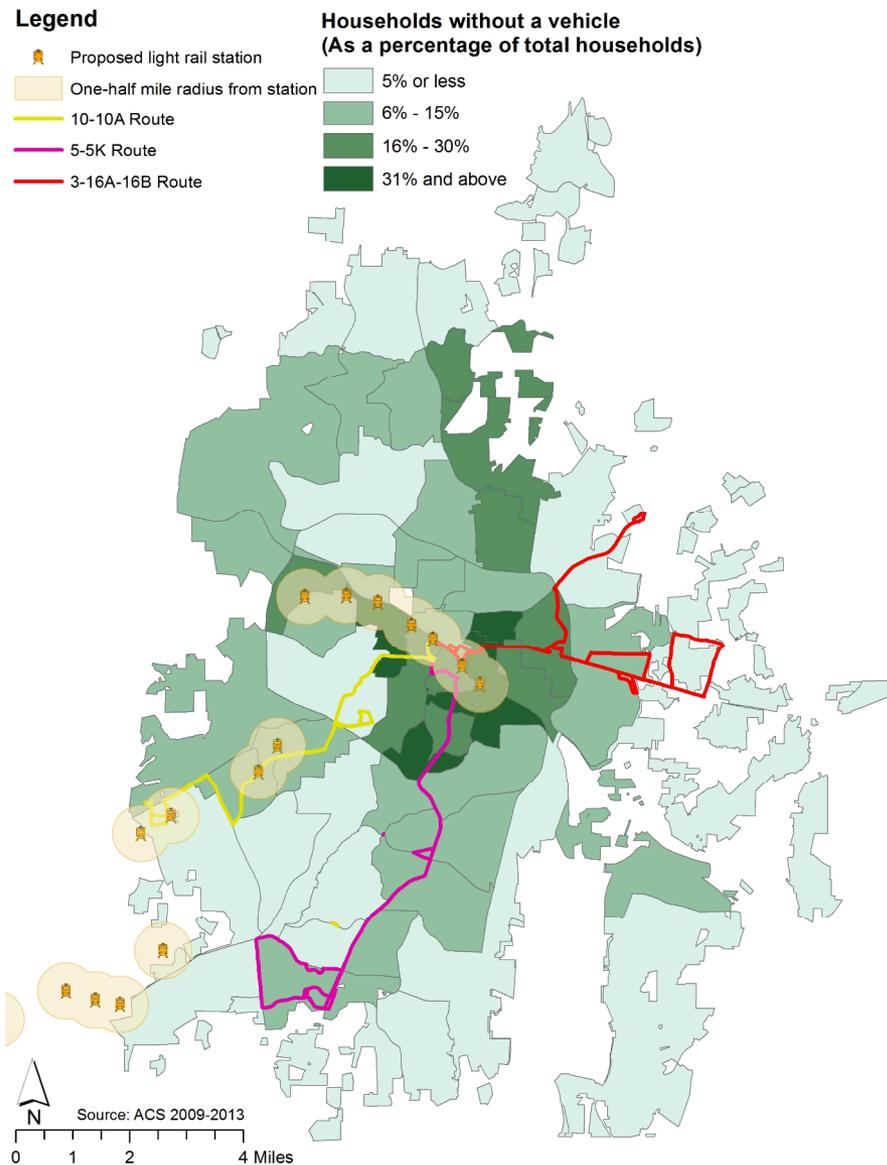

Low-income households

- In 2013, there were 42,000 low-income households in Durham.

Transit-dependent households

- Citywide, nearly 10,000 households do not own vehicles—about 9% of all households.
- 85% of households without vehicles are renters.

Homelessness in Durham

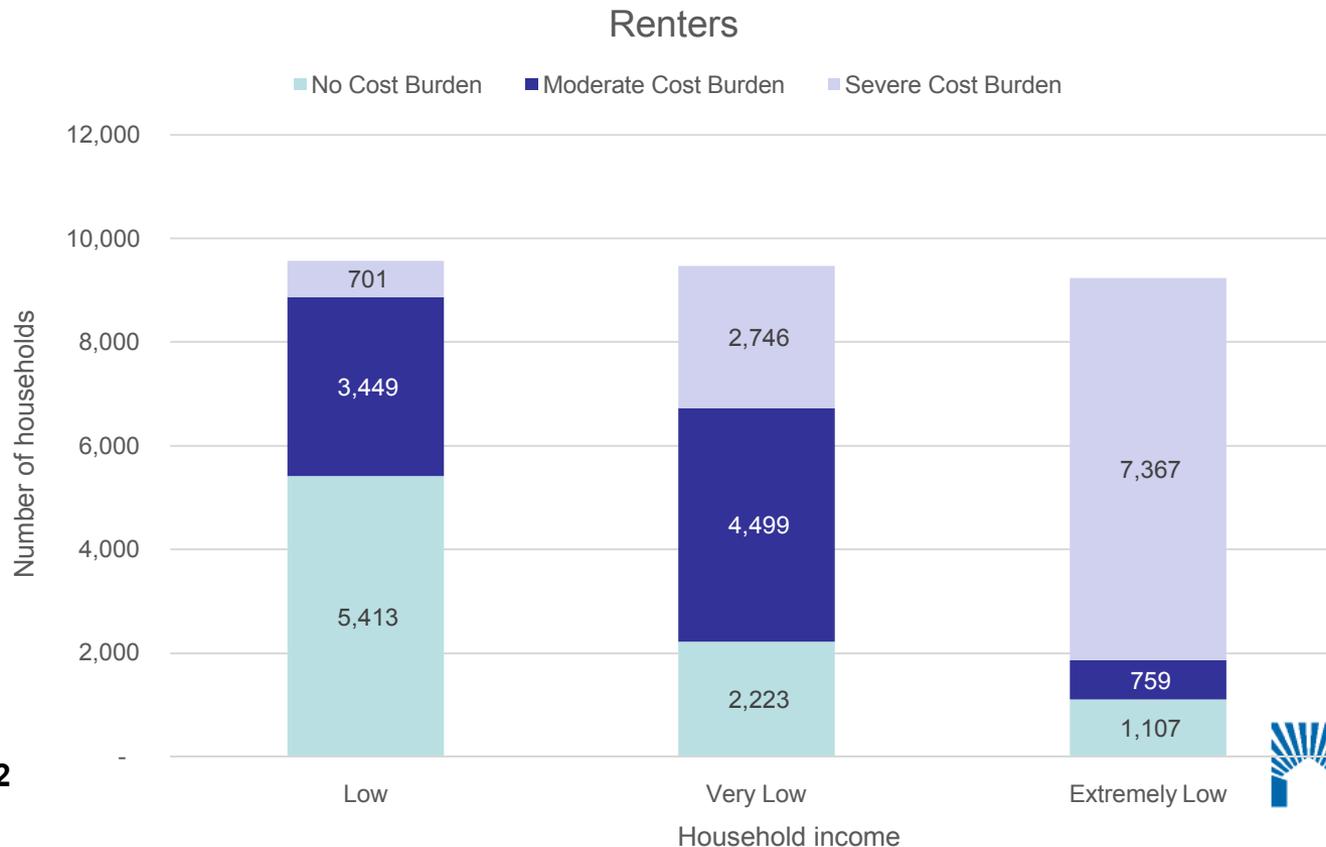

Total Homeless, 2013	753
Homeless Individuals, 2013	572
Homeless People in Families, 2013	181
Chronically Homeless, 2013	87
Homeless Veterans, 2013	93
Homeless Unaccompanied Youth and Children, 2013	35

HOUSING AFFORDABILITY

Cost-burdened renter households

As of 2012, there were 19,500 low-income renters (42% of all renter households) who were paying more than 30% of their total income for housing. Almost 11,000 of these households, the majority very low income, were paying over 50% of their income for housing.

Cost-burdened owner households

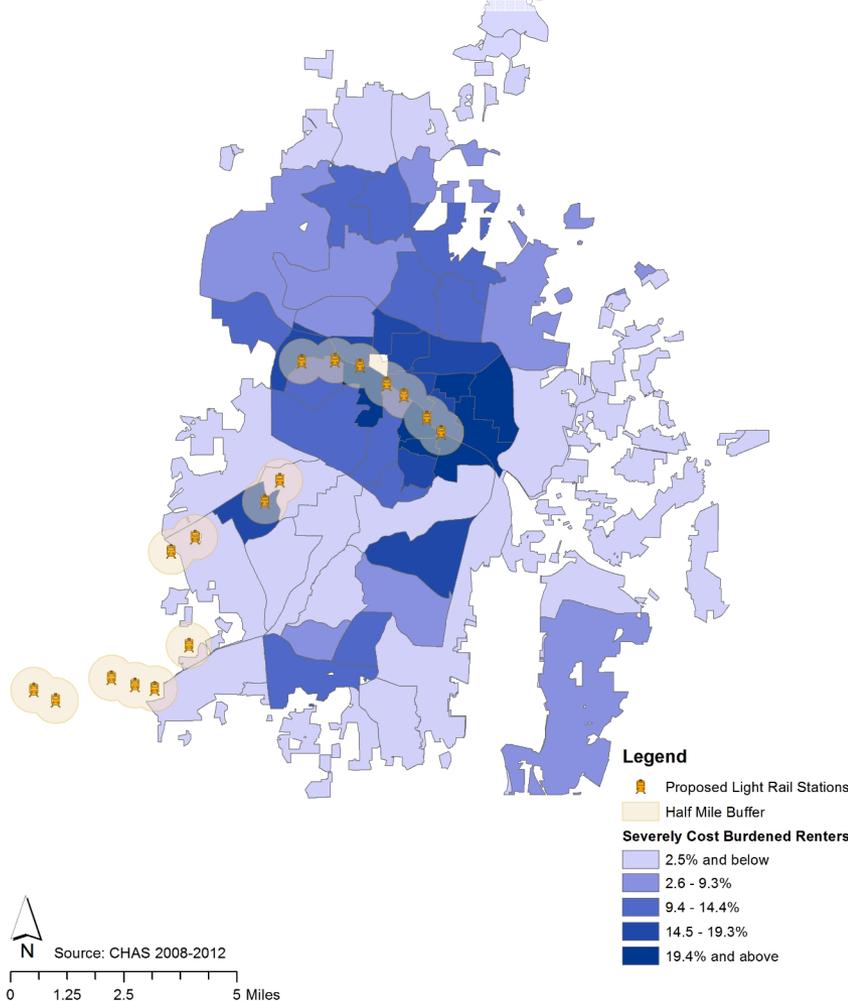

As of 2012, there were almost 7,800 low-income owners (15% of all owner households) who were paying more than 30% of their total income for housing. Over 4,000 of them were paying more than 50% of their income for housing.

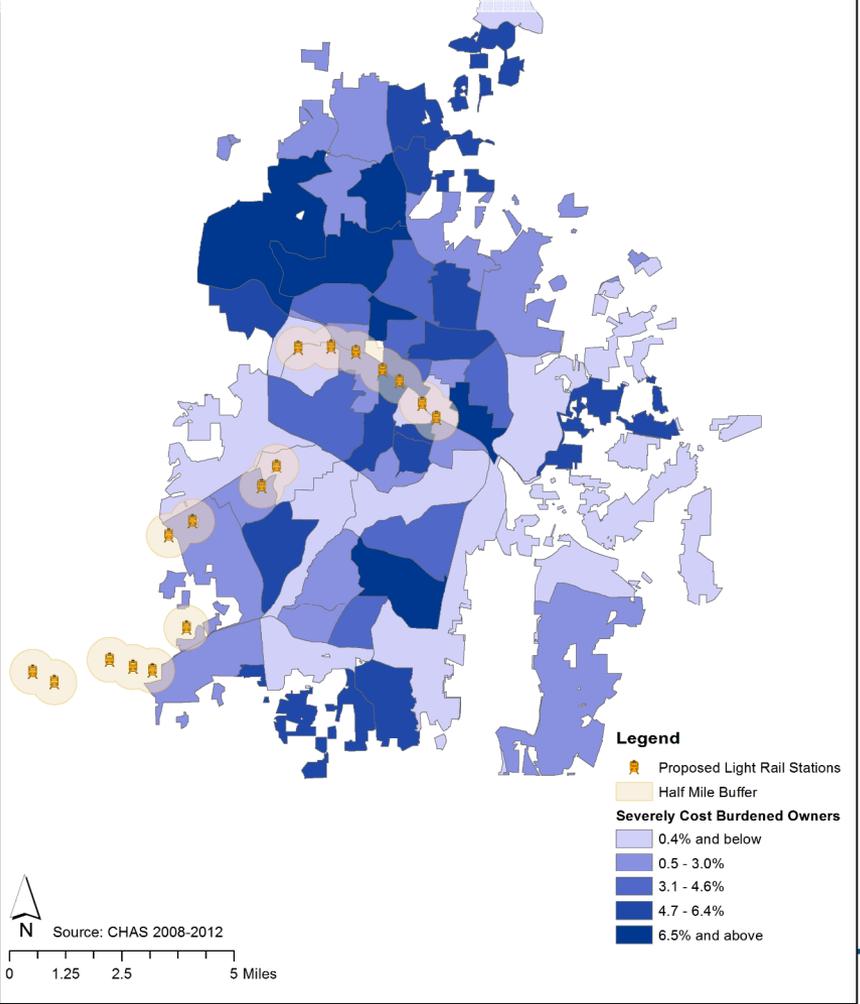

Severely cost-burdened renter and owners

- Renters represent 72% of all severely cost-burdened household.

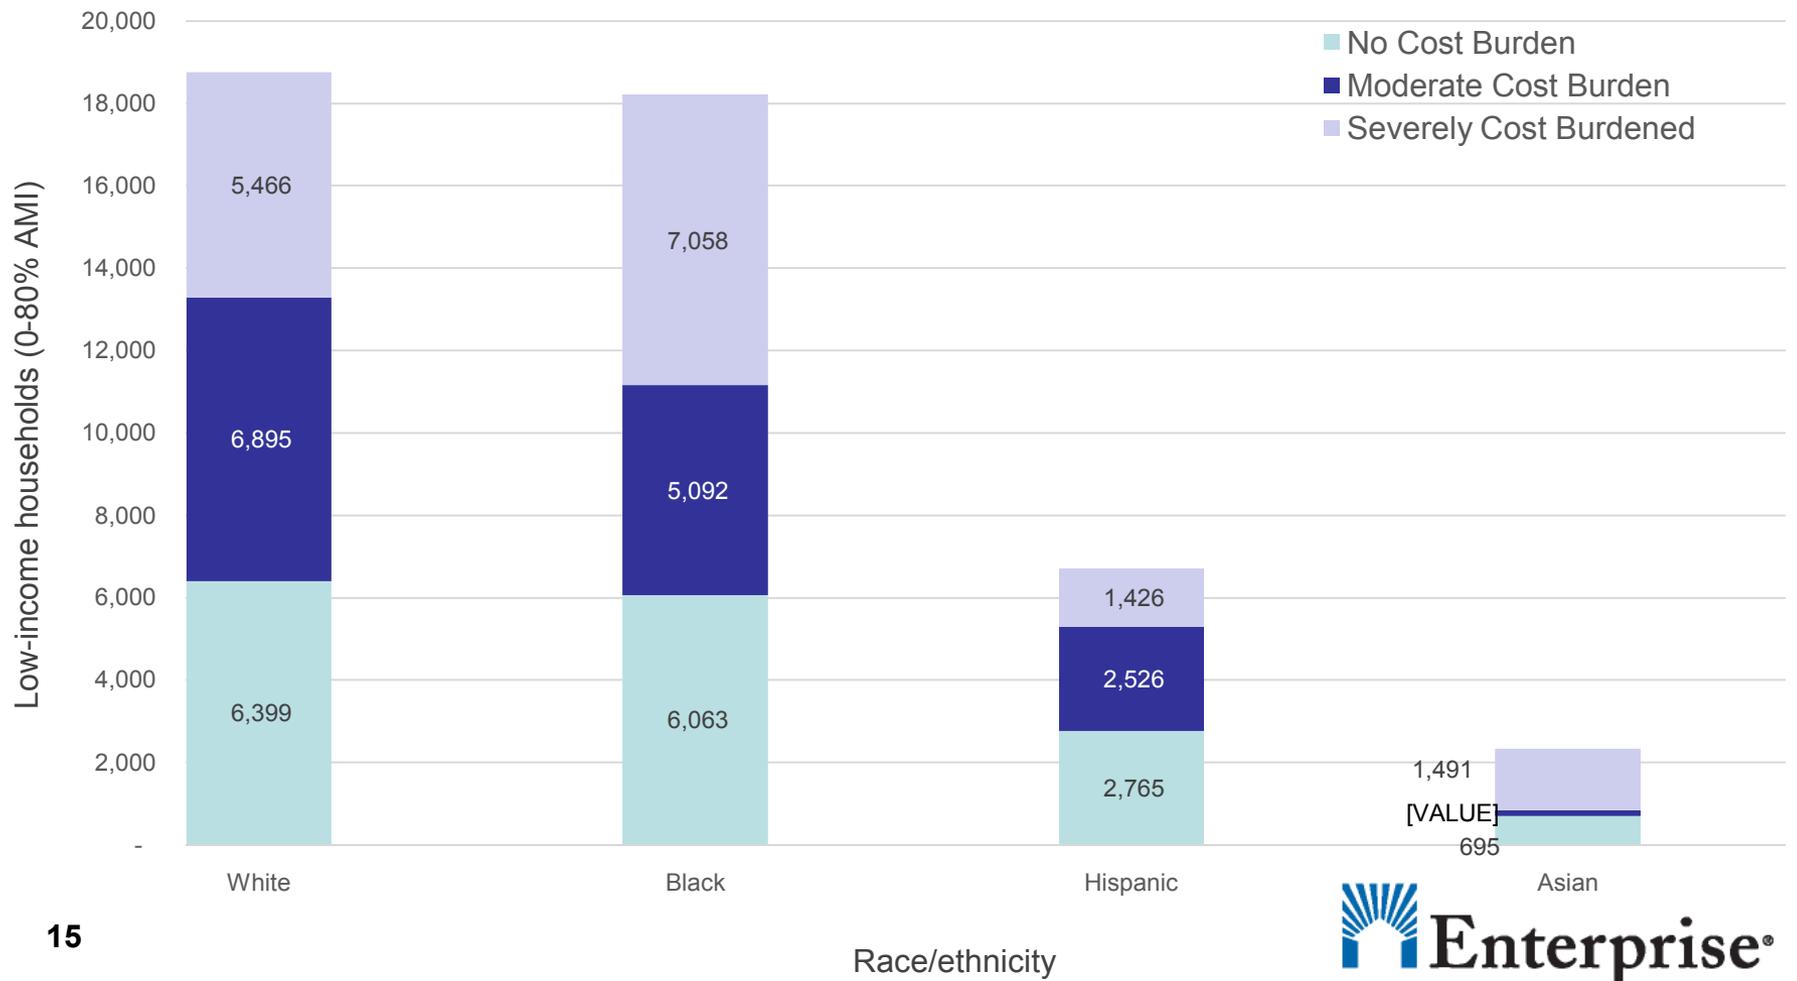

Renter households: 11,141

Owner households: 4,287

Cost-burdened, low-income households by race/ethnicity

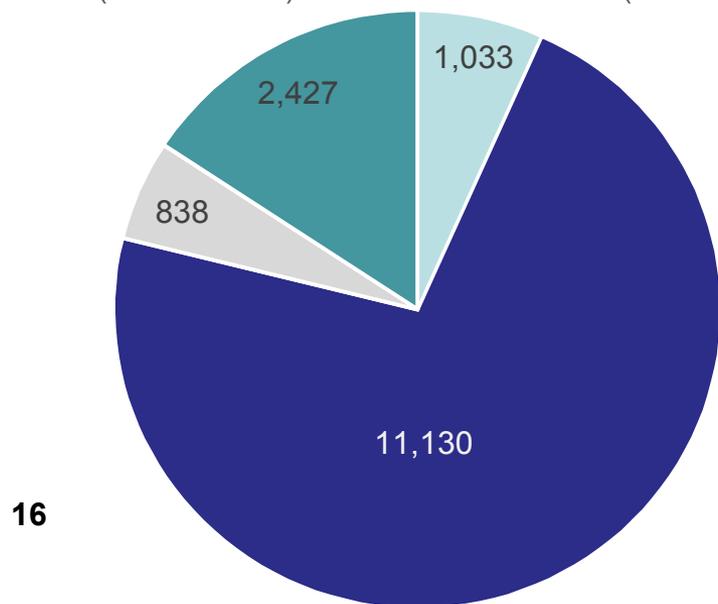

Severely cost-burdened households by family type and age

- Over 70% of severely cost-burdened households are unmarried families without children.
- 10% of all senior households are cost-burdened, with the largest share among extremely low income seniors.

Family Type

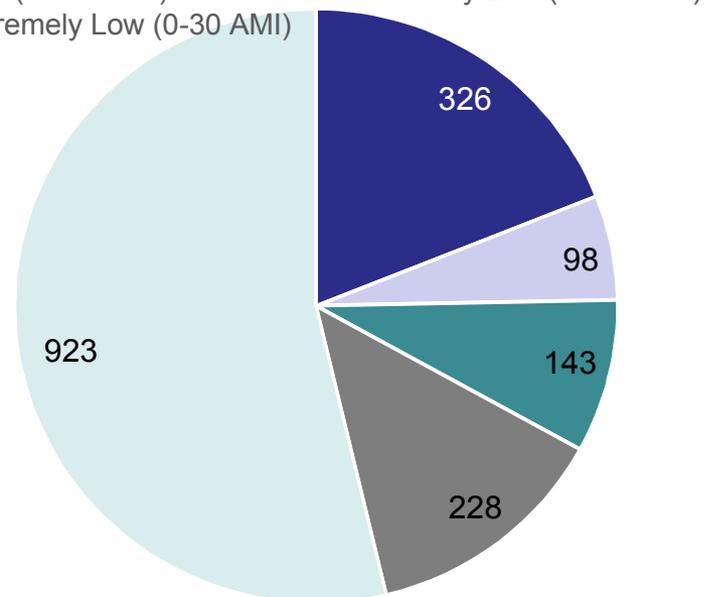

- Married (No Children)
- Married (With Children)
- Unmarried (No Children)
- Unmarried (With Children)

16

Senior Households

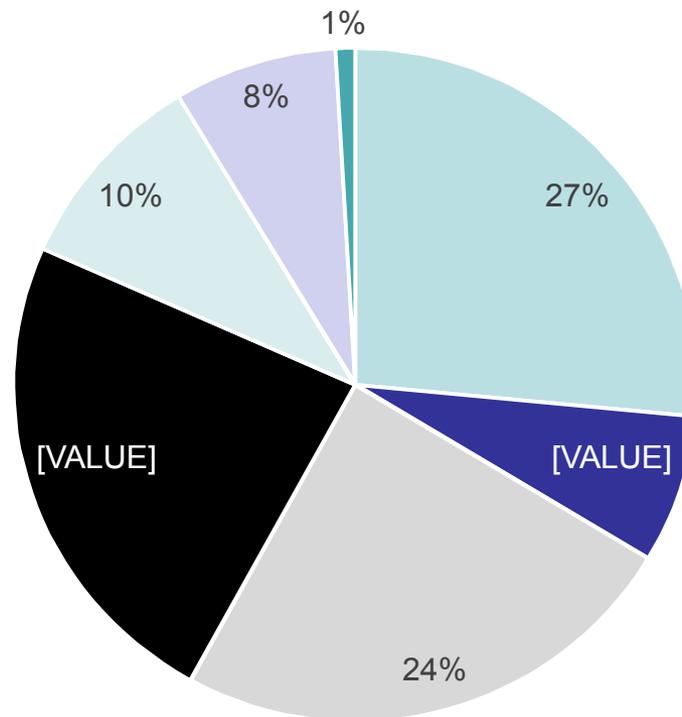

- High (>100 AMI)
- Low (51-80 AMI)
- Extremely Low (0-30 AMI)
- Moderate (81-100 AMI)
- Very Low (31-50 AMI)

HOUSING SUPPLY

Rental units by type

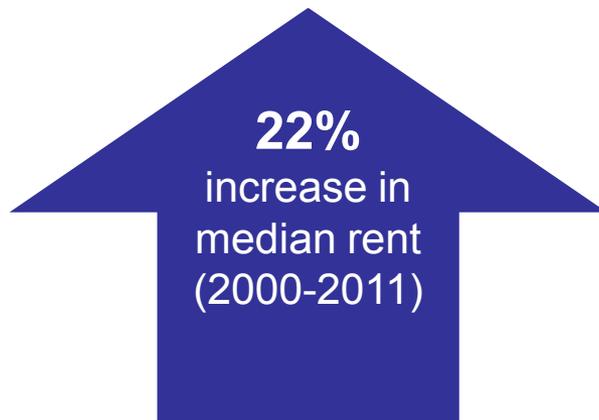

- Renters live in single-family homes (27%), followed by buildings with 10-19 units (24%).

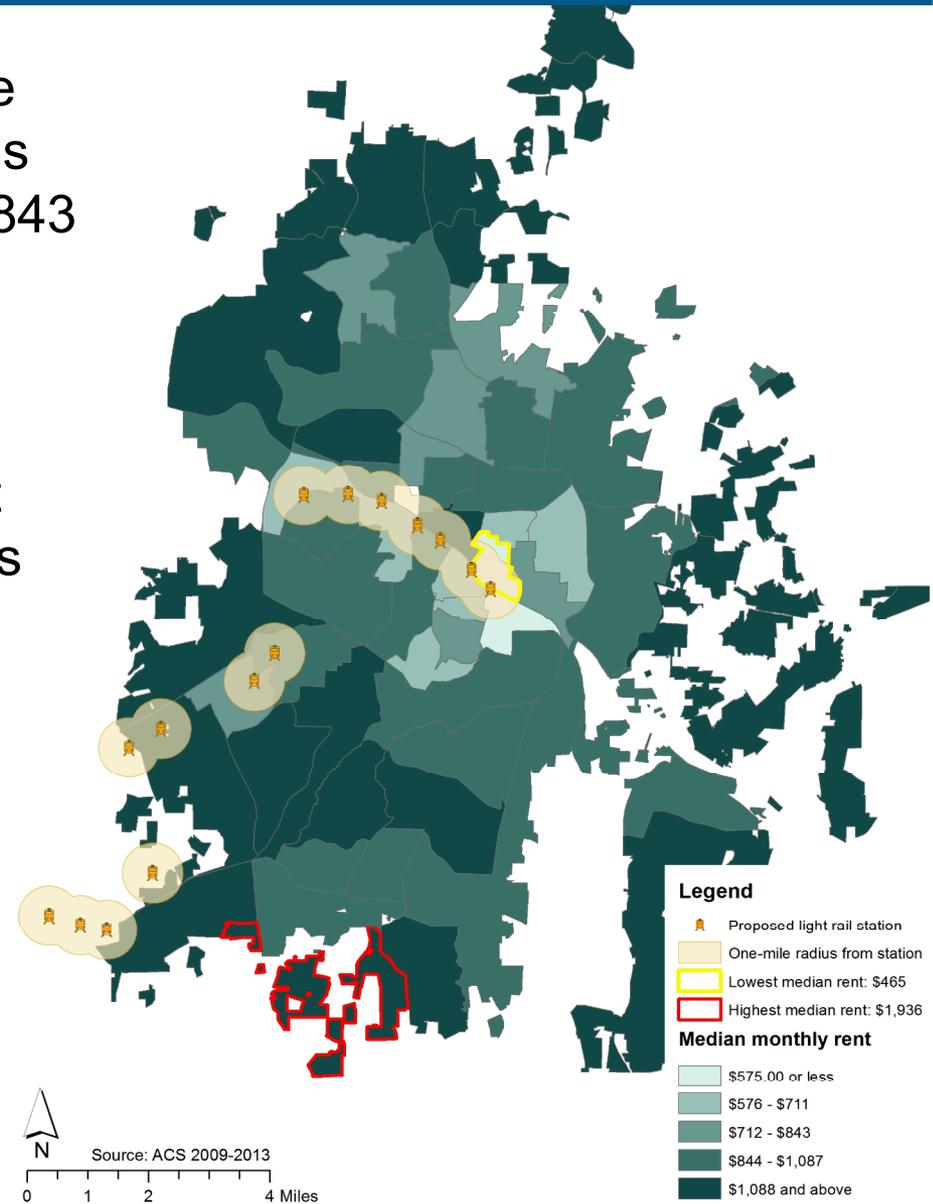

■ Single-Family ■ 2 Units ■ 3-9 units ■ 10 to 19 Units ■ 20 to 49 Units ■ 50 or more Units ■ Mobile homes

Rental Market

- As of 2013, 3 out of 4 low-income renter households lived in Census tracts with median rents below \$843 (FMR for 2-bedroom).
 - *Lowest median rent: \$465*
 - *Highest median rent: \$1,936*
- Data lags, so information doesn't reflect recent rental market trends

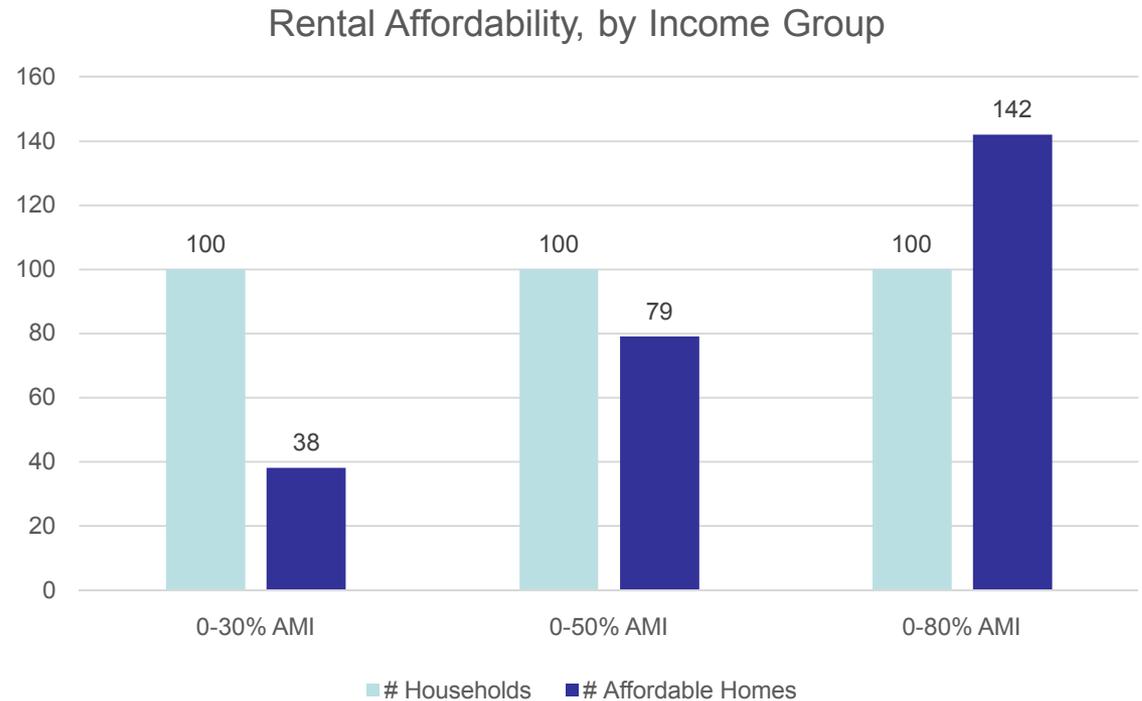

19

Rental housing supply gap

Citywide, there is a shortage of units affordable to extremely low and very low income households.

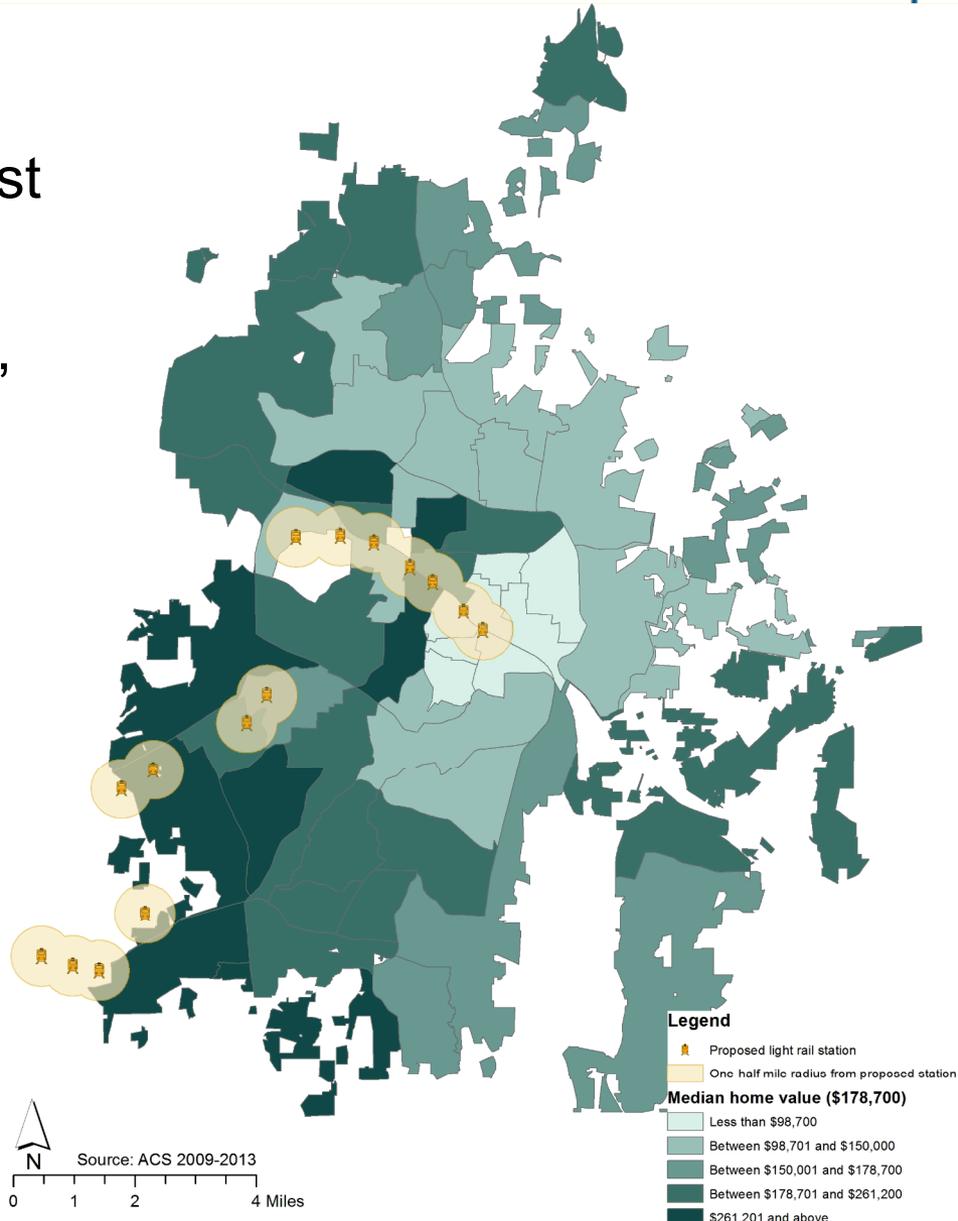

For example, for every 100 renter households with incomes below 30% AMI, there are 38 rental units that are affordable to them.

For Sale Market

- Lowest median home values clustered in east Durham, highest in SW Durham and downtown.
- 2015 median sales price: \$167k, affordable to 3-person households earning \$36,420-48,550 (60-80% AMI).

home values
(2000-2011)

EXISTING AFFORDABLE HOUSING

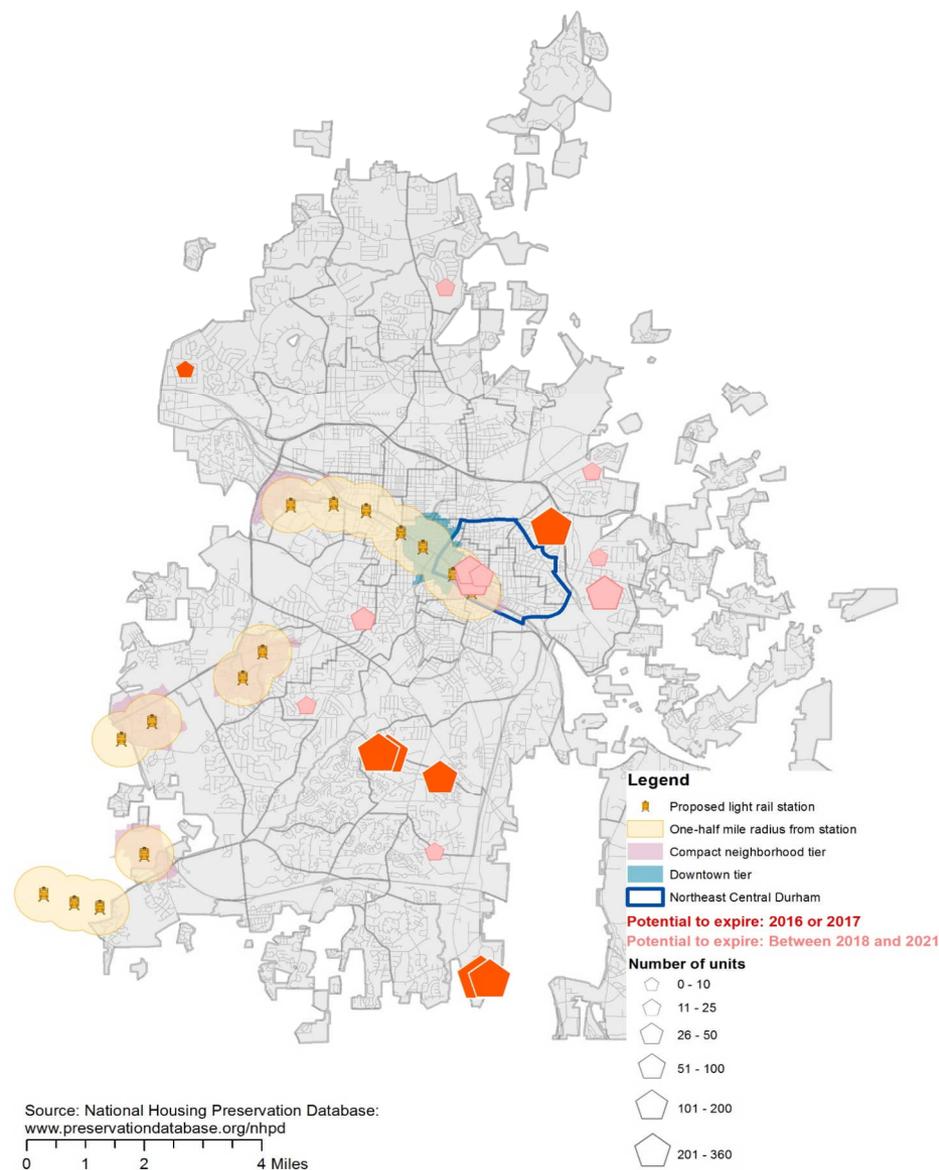

Subsidized Housing

- There are approximately 6,100 income restricted, subsidized homes in Durham
 - For-profit entities own 47%
 - DHA owns 31%
 - Non-profit entities own 22%

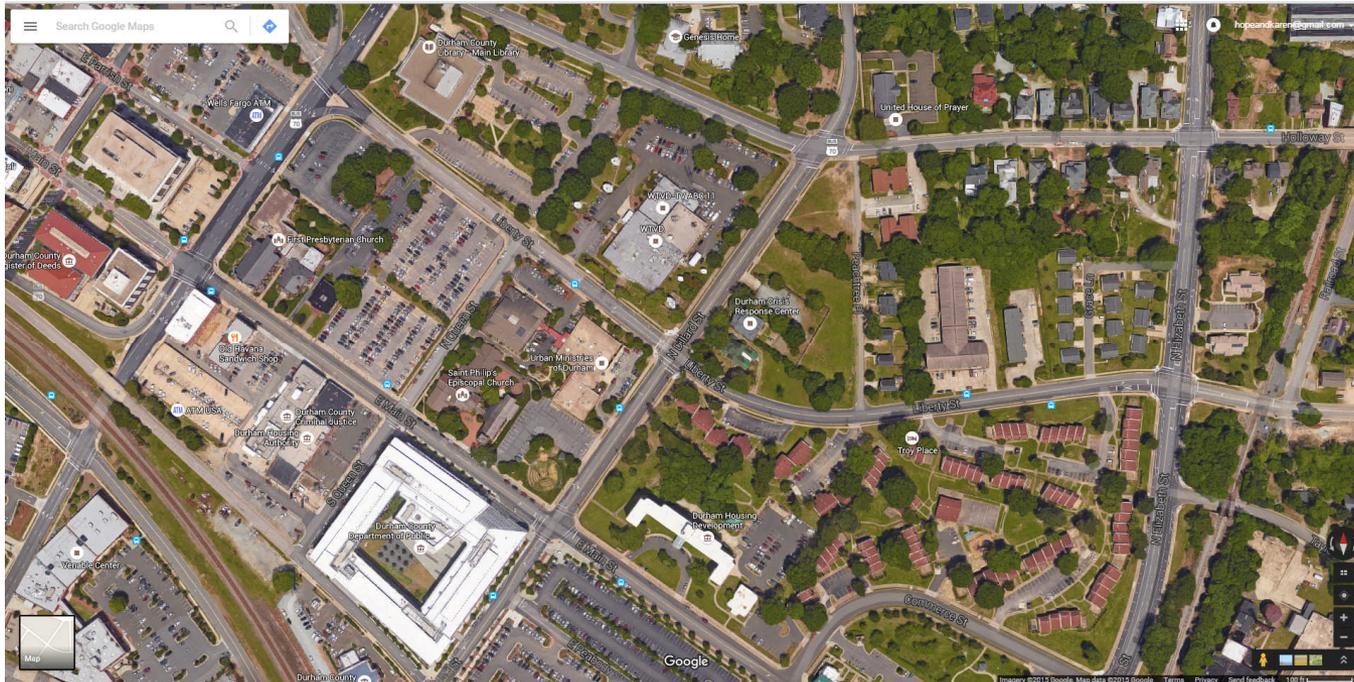

Subsidized housing – Expiring between 2016 and 2021

- 1,240 units have potential to exit affordability restrictions between 2016-21, the majority in the first two years
- Factors that impact continued affordability include extended use agreements, ownership and location

Strategic opportunities with DHA

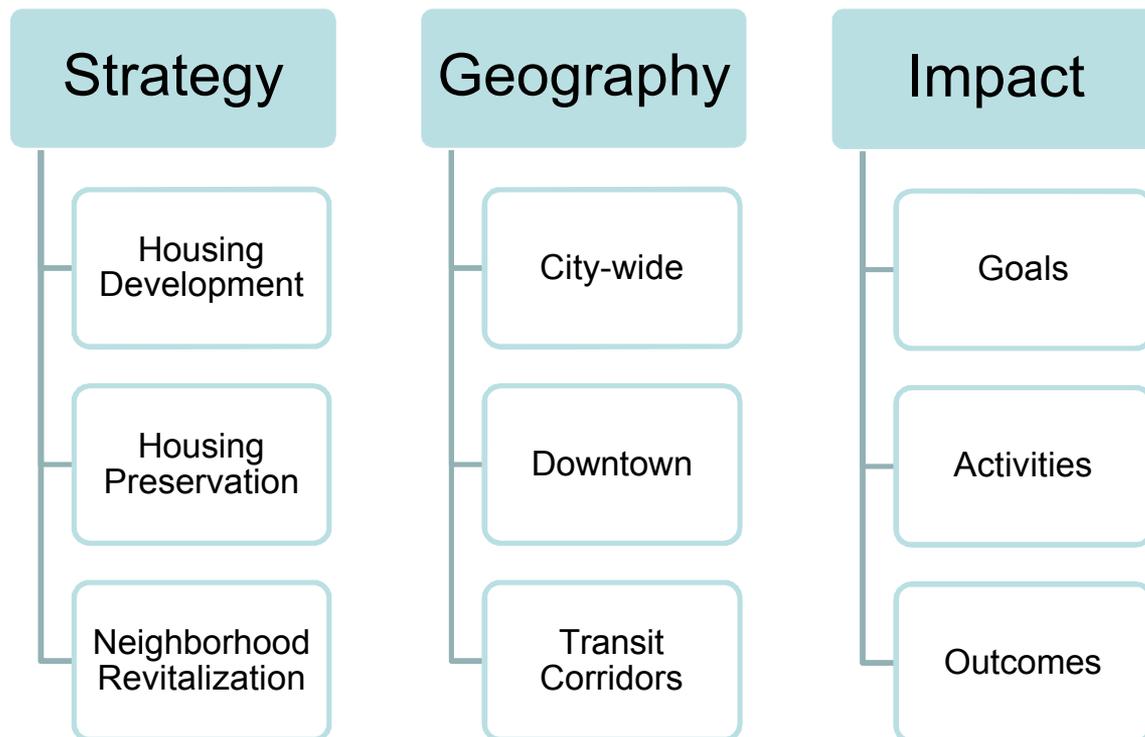

- 50% of DHA's public housing supply (990 units) is located within station areas.
- Upcoming projects have potential to be transformative for entire neighborhoods: McDougal Terrace; Liberty St. and Oldham Tower

NEXT STEPS

Our Goal: Develop a Strategy Framework

GOALS

Strategy Development Process

Understanding the Context

- Due diligence review
- Housing Profile
- Site visit and ongoing interviews
- Initial priority setting

Development of Strategy Options

- Housing Production
- Housing Preservation
- Neighborhood Revitalization
- Policy and Regulatory Framework

Goal Definition and Strategy Refinement

APPENDIX

Background Information for Downtown Rental Subsidy Program

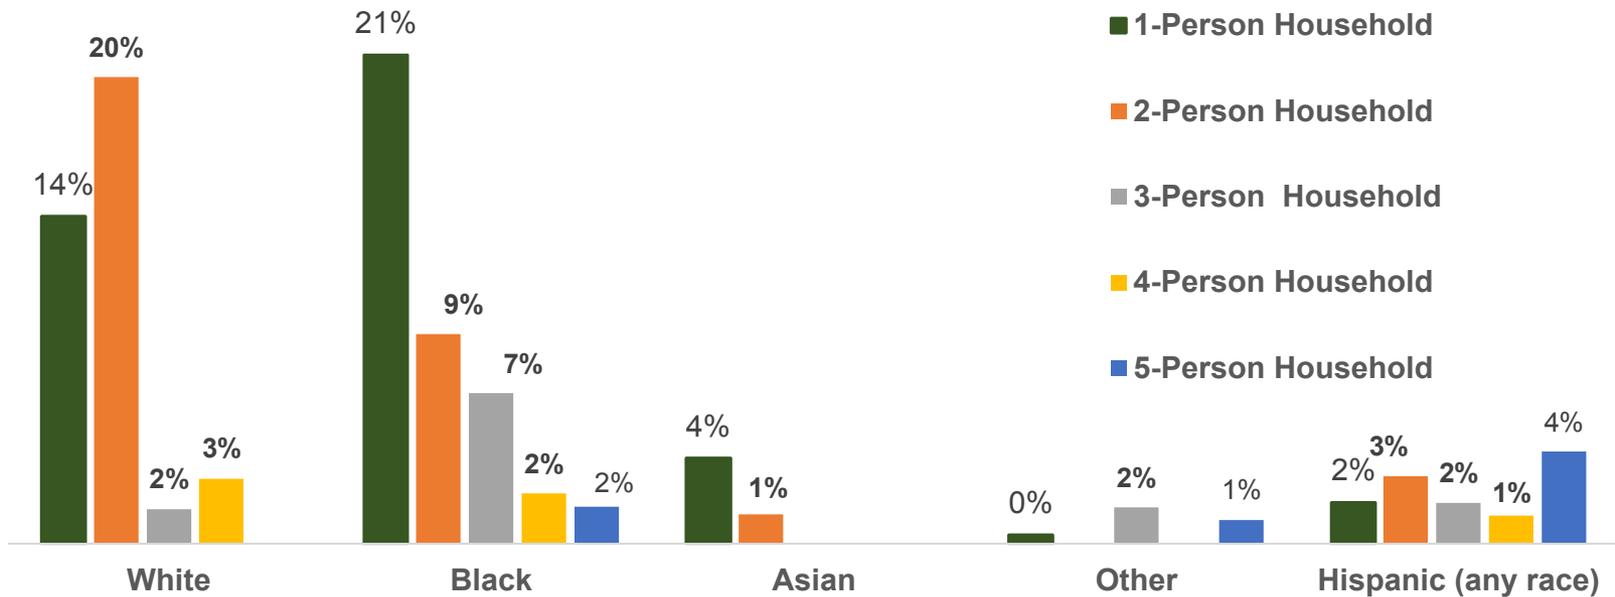

Low-Income Households (51-80% AMI)

Citywide, there are approximately 16,500 low-income households.

Race/ethnicity of Head of Household	Number	%
Black	6,754	41%
White	6,446	39%
Asian	829	5%
Other	494	3%
Hispanic (any race)	1,942	12%

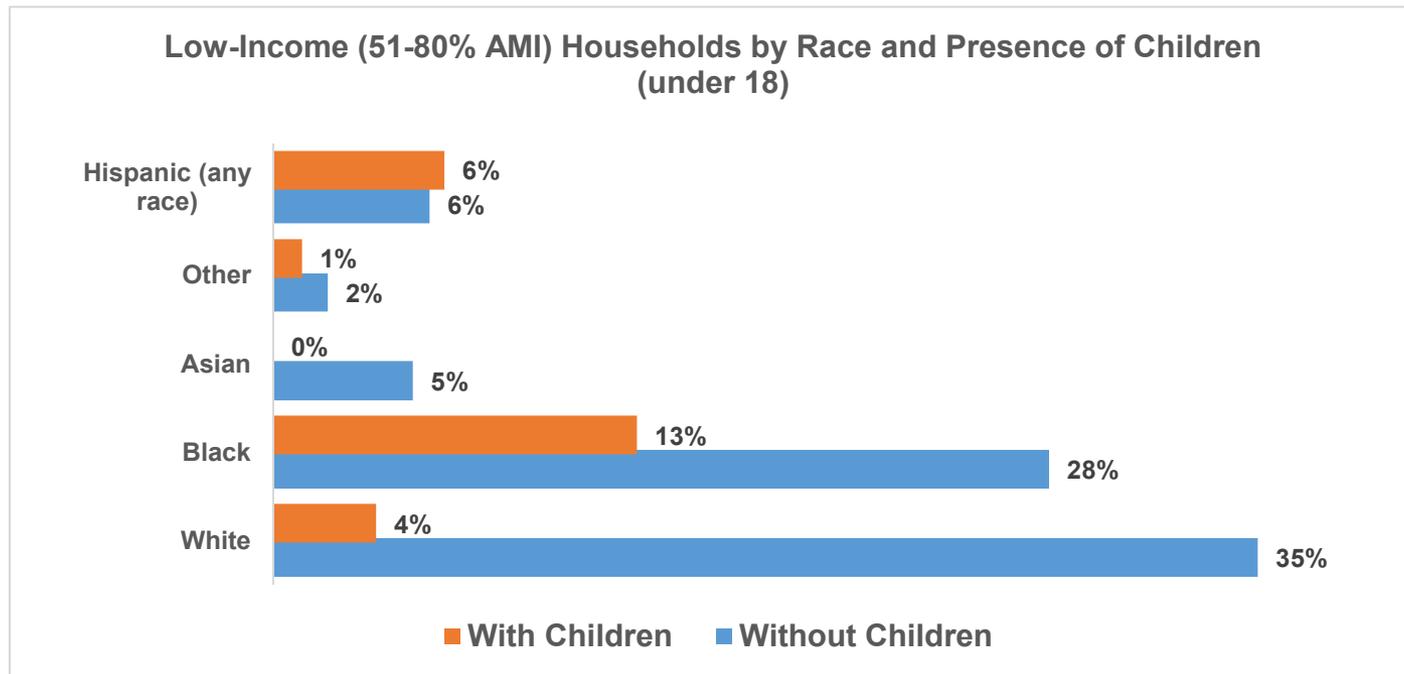

Low-Income Households (51-80% AMI)

Low-Income (51-80% AMI) Households by Race and Household Size

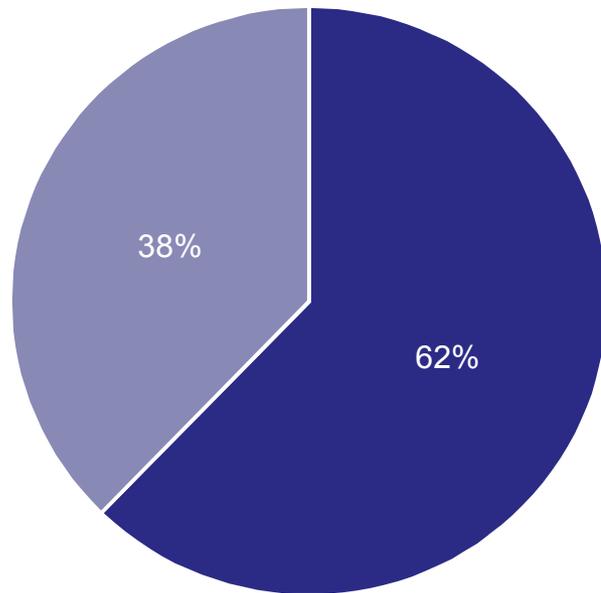

Low-Income Households (51-80% AMI)

24% of low-income households include children under the age of 18.

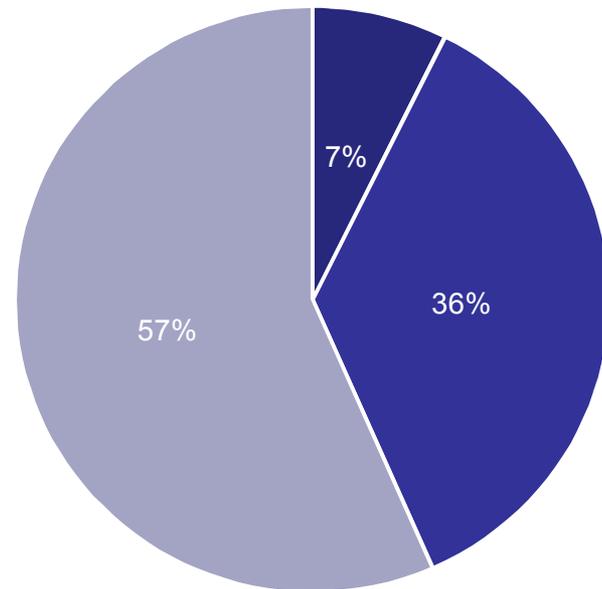

Low-Income Households (51-80% AMI)

Low-Income Households by Housing Tenure

■ Renters ■ Owners

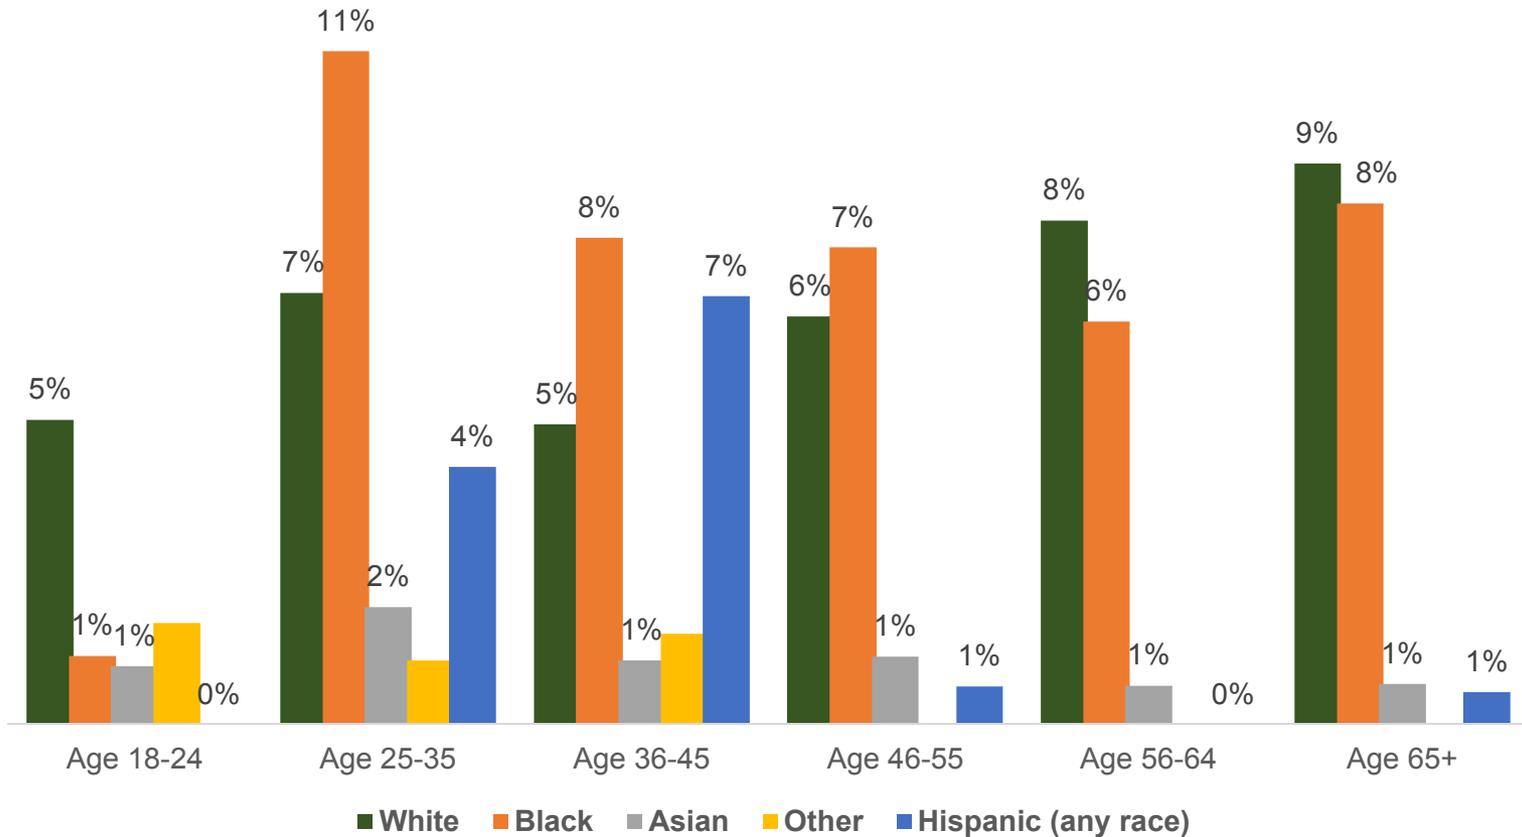

Low-Income Renters by Housing Cost Burden

■ Severely cost burdened ■ Moderately cost burdened
■ Not cost burdened

Low-Income Households (51-80% AMI)

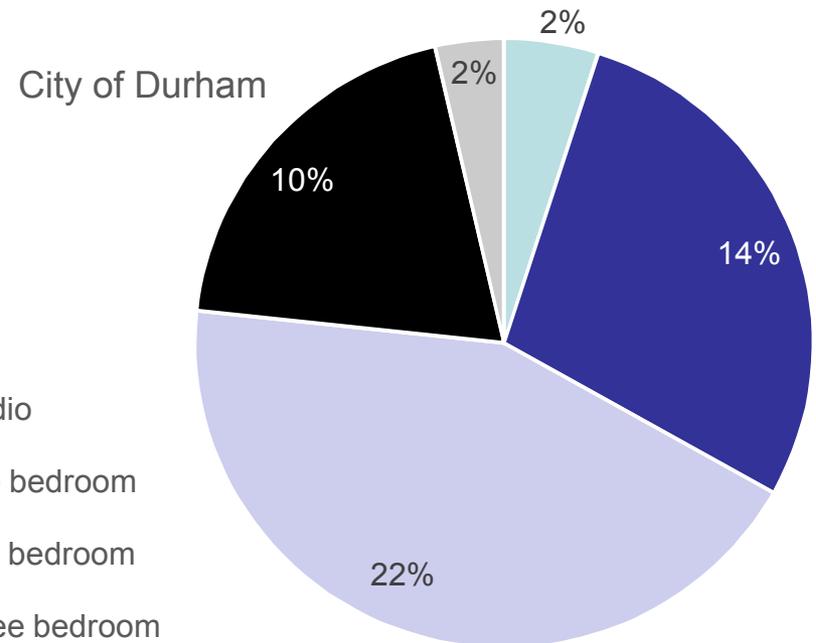

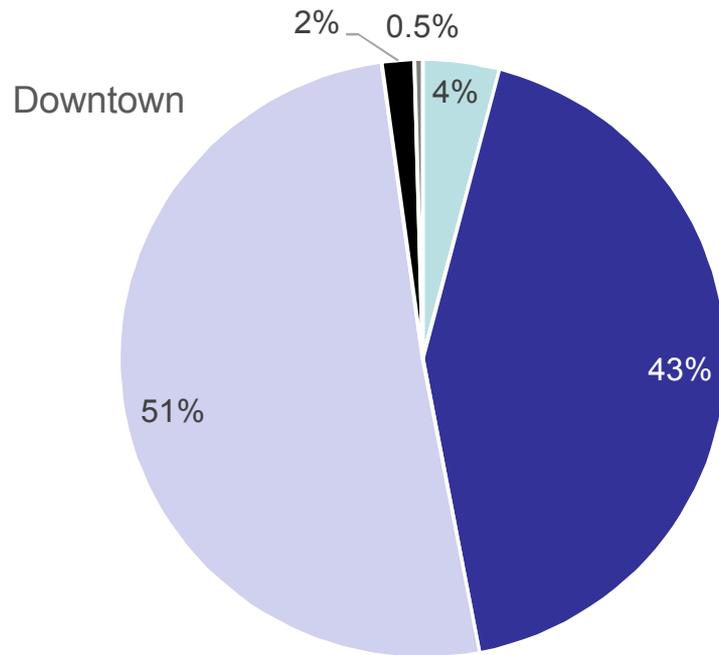

Low-Income (51-80% AMI) Households by Race and Age of Householder

Downtown rental market

There are 833 apartments downtown, plus another 380 under construction. As of March 2015, these properties had a 29% vacancy rate.

Rental units by bedroom

- Studio
- One bedroom
- Two bedroom
- Three bedroom
- Four bedroom

Downtown rental market

- Larger, newer rental properties in the downtown area have higher average rates than the citywide median rent (\$714) or HUD FMRs.

Average Monthly Rents

Unit Size	Downtown (50+ units buildings)	Citywide (50+ unit buildings)	2015 FMR
Efficiency	\$1,005	\$828	\$597
1 BR	\$1,270	\$883	\$737
2 BR	\$1,522	\$989	\$874
3 BR	\$2,427	\$1,097	\$1,127
4 BR	\$2,466	\$2,466	\$1,320
All	\$1,413	\$955	-
