**Re: Recommendation of Award- ND Control Panel Upgrades**

Dear Mr. Gasper:

Bids for the North Durham Control Panel Upgrade project were opened on January 5, 2016 after only one bid was received on the original bid date of December 17, 2015. After re-advertising the project, we received two bids on January 5 as detailed in the attached the official certified bid tabulation. A detailed bid tab is also included with additional information. We have worked with both bidders on previous projects in the past and have had favorable experiences.

Assuming the City finds the Contractor Safety Record information acceptable, we recommend that the City award the Project to Gilbert Engineering who submitted the lowest Total Base Bid Amount of \$1,972,000. There were no alternate bid items on this project.

If you have any questions or require additional information, please contact me at 919-833-7152 or [pdrummey@hazenandsawyer.com](mailto:pdrummey@hazenandsawyer.com).

Very truly yours,

Patricia Drummey Stiegel, PE  
Associate
