

GoSmart

We're here to help you go smarter.

What are my options to use a smarter commute in Durham?

Transit: GoDurham serves Durham. The Triangle's regional provider, GoTriangle, can connect you to bus services outside the Bull City, including Chapel Hill and Raleigh. Visit GoTransitNC.org to access bus information for GoDurham, GoTriangle, GoRaleigh, and more.

Rideshare: GoTriangle operates vanpools that either start or end in Wake, Durham, and Orange County. Riders are responsible for their gas, but maintenance and insurance are included. For details on starting your own vanpool or joining an existing one, visit GoSmartNC.org/govanpool.

We also administer ShareTheRideNC.org, a ride-matching site that lets people who live and work near each other connect and share a ride to work.

How can I get some help figuring out my best options?

Just let us know! In addition to the GoTransit Regional Information Center at **919-485-RIDE (7433)**, you can call or email Liston Peoples, Transit Amenities Specialist, at **919-458-7574**, lpeoples@gotriangle.org. We provide one-on-one assistance to help you plan your trip and answer your questions.

What if I GoSmart and need to get home because of an emergency?

Our free Emergency Ride Home has your back! If you take the bus or share a ride to work, we will send a cab or rental car to get you home if you get sick, a family member has a crisis, or if you or your car- or vanpool partner has to work unscheduled overtime. You're responsible for the gas in a rental car and the tip if you use a taxi. For full details and to register, visit GoSmartNC.org/erh.

What other resources do you have to help riders?

For transit users, we offer the GoLive app through Transloc Rider so you can see your bus location in real-time, access rider alerts, and find your nearest bus stop. Check out triangle.transloc.com for details.

Also, if you use the bus or share your ride, our GoPerks program can earn you some cool stuff. Track your eligible trips at ShareTheRideNC.org and get entered to win incentives from local businesses. Visit gosmartnc.org/goperks to learn more.
