

Attachment E: Base Bus Pricing Proposal

Bidder: GILLIG LLC

On this form, the Bidder should include only the cost of the base bus as specified in the IFB. All optional or otherwise uniquely identified costs should be kept separate and only included in Attachment D, Pricing Schedule for Optional Equipment and Services, Attachment E, Pricing

Schedule for Optional Special Tools, and Attachment F, Pricing Schedule for Optional Spare Parts. All prices are to be in United States dollars. The base bus price should include basic Warranty as specified in Section 5 and base bus Training as specified in Section 6 of this IFS. For the purposes of the Bids, pricing shall not include sales tax.
