MEMO TO: Professional Services Firms  
SUBJECT: Request for Letters of Intent  
PROJECT: **SW-63: Request for Letters of Interest for Pedestrian Design:  
SW-50 (EB-5715) SW-51 (EB-5708) SW-52 (EB-5703) SW-53 (EB-5704)**

This is a Request for Letters of Intent from qualified engineering firms to provide engineering design services for various City projects. The projects involved are the installation of pedestrian improvements including continuous sidewalks. The improvements include sidewalks, Handicap Ramps, demolition and installation of curb and gutter, and one signalized pedestrian crossing. All of the projects are federally funded. The designs are to include construction plans, environmental assessment, required permits, and bid documents for these projects. These projects are funded using FHWA sources, and firms shall demonstrate proficiency in the management of Federally Funded projects. Firms shall demonstrate previous experience in the design and construction of similar projects.

The project manual is available for download at the following web page:

<http://durhamnc.gov/3100/RFLOI-for-BikePed-Design-Services-SW-63>

We look forward to receiving your proposal. If you have any questions or require additional information, please contact me.

Sincerely,

Lee Murphy, PE  
Project Manager
