ADDENDUM 2: Answers to questions from perspective bidders.

This addendum is to answer questions asked by perspective bidders.

Question: According to Item #11 on the Instructions to Bidders Page, I understand that the entire proposal document must be submitted with the bid form. This is different from the typical City of Durham Bid where there are only a few pages of the entire document. Please provide some clarification as to the requirement.

Answer: The City does not need the entire proposal document included with the bid form. Please include the following pages of the proposal documents with the bid form: Pages 1-5; 113-127; & 146 - 147

Thank you for your interest in this project.
