NEWS RELEASE

Parks and Recreation Department

For Immediate Release: November 22, 2017

Campus Hills Aquatic Center Reopens

Renovations and Upgrades Give the Aquatics Center a New Look and Feel

Durham, NC: Campus Hill's Aquatic Center has now reopened after being closed since last spring for renovations and upgrades.

The work included a new Seresco dehumidification unit along with the installation of LED lights, ductwork and a newly painted pool and ceiling.

Some additional work will be done over the course of the next few weeks and should not interrupt aquatics programs. Please excuse the appearance (and any extra noise) while we replace the roof which is expected to be completed by the end of December, weather permitting.

Lastly, the Aquatics Facilities Master Plan has been accepted by the City Council. It will provide viable solutions to ensure safe and fun aquatics facilities throughout Durham in the future and address the aquatic facilities needs of the community in the near and long-term.

Click [here](#) to read the final plan and recommendations.
