For Immediate Release: January 19, 2018

**Share!** If you live, work or travel along Hillandale Road in #Durham, our Public Works team wants your input at their Jan. 31 meeting on their proposed design for bike/ped facilities along this busy roadway.

## Durham Hosts Proposed Hillandale Road Bike/Ped Facilities Meeting

### *Drop-In Style Meeting to Collect Resident Input on Design Plans*

DURHAM, N.C. – If you live, work, or travel along Hillandale Road in Durham, you'll want to mark your calendar for a meeting later this month to discuss bicycle and pedestrian designs for this busy roadway.

The City of Durham Public Works Department is now preparing designs for [bicycle and pedestrian facilities](#) along Hillandale Road from I-85 to the NC Highway147, and staff wants to share their work and get resident input.

The drop-in style meeting is set for Wednesday, January 31 from 6 p.m. to 8 p.m. in the Durham Public Schools Staff Development Center Cafeteria, located at 2107 Hillandale Road. Residents will be able to review design options, ask questions of City staff, and provide input before the department completes the design work. This is a bicycle and pedestrian project only, so it will not include road widening to expand the traffic capacity or the intersections within this corridor. For residents who can't attend this meeting, maps and comment forms to collect feedback will be available after the meeting date on the [project website](#). Resident feedback is due by February 14<sup>th</sup>, 2018.

A second meeting will be scheduled for this project at a later date after receiving input and developing the preferred option. For additional information about the project, contact Tré Dugal, PE with Ramey Kemp & Associates at (919) 872-5115 ext. 1013 or by email at

[tdugal@rameykemp.com](mailto:tdugal@rameykemp.com), or Lee Murphy, PE with the City's Public Works Department at (919) 560-4326, ext. 30208 or by email at [Lee.Murphy@DurhamNC.gov](mailto:Lee.Murphy@DurhamNC.gov).

Any person with a disability may receive an auxiliary aid or service to effectively participate in this session by contacting the City's ADA Coordinator at (919) 560-4197 or [ADA@DurhamNC.gov](mailto:ADA@DurhamNC.gov) no later than 48 hours before the meeting.

### **About the City of Durham Public Works Department**

The City of Durham [Public Works Department](#) provides a wide range of services, including street maintenance, engineering design, development review, and stormwater quality and infrastructure maintenance. The department plans and executes the City's winter weather and natural disaster plans. The department ensures that Durham's street infrastructure is safe and well maintained, which supports the quality of life and serves as a foundation of a healthy economy. As guided by the City's [Strategic Plan](#), the department serves as a steward of the City's physical and environmental assets and ensures that residents live in a safe, secure, and thriving community.
