Each bidder must be licensed under Chapter 87 of the North Carolina General Statutes. The City Council of the City of Durham reserves the right to reject any or all of the Bids. All bids must include a non-collusion affidavit.

To ensure that all bidders using the Purchasing Division's web site are kept up to date on any addenda, changes, or information notices, please send an e-mail to ed.venable@durhamnc.gov indicating your intention to prepare a bid for the project. Failure to complete this step may render your bid as non-responsive.

Each bidder is advised that the work may be inspected and supervised by an engineer or firm under the direction of the City of Durham. The engineer or firm may also be involved in the identification of specific repair areas and the proposed method of repairs for the site work.

No bid shall be considered or accepted unless at the time of its filing the same shall be accompanied by a deposit of cash or a certified or cashier's check drawn on a bank or trust company insured by the Federal Deposit Insurance Corporation (FDIC), in an amount equal to five percent (5%) of the amount of the Bid. The check shall be made payable to the City of Durham. Said deposit shall guarantee that the Contract will be entered into by the successful Bidder if the award is made. Such deposit of cash or certified or cashier's check may be held by the City until the successful bidder has executed and delivered the Contract Documents, including performance and payment bond, to the City of Durham and returned or kept in accordance with North Carolina General Statute 143-129.

Refer to other Bidding requirements described in Document 00 21 15 and Document 00 31 00.

In lieu of the cash deposit or certified or cashier's check mentioned above, the bidder may file a bid bond in the same amount executed by a corporate surety authorized to execute such bonds in North Carolina and conditioned as provided by North Carolina General Statute 143-129 and in the form attached to the bidding documents (see Appendix F) or on file with the Engineer. Bid bond forms enclosed as part of the Bidding Documents must be properly executed at the time bids are submitted before bid will be
