Printing a Certificate of Compliance

Follow these steps to access the LDO and print the Certificate of Compliance for your permit:

- Go to www.durhamnc.gov.
- Under online services, along the top line of the home-page, click on Permits & Inspections.
- Under Search, on the left column, click Application/Permit.
- Enter your permit number and click submit.
- If your Certificate of Compliance has been issued, you will see an icon labeled Print CO.
- Click the Print CO icon

If you do not have the Print CO icon on your permit, then the Certificate of Compliance for your permit has not been issued.

Follow this step to check your Certificate of Compliance status:

- On your permit screen, click the CO Signoffs icon.
