ORDINANCE TO IMPOSE A UTILITY BASIN SURCHARGE FEE FOR UTILITY IMPROVEMENTS THAT HAVE BEEN CREATED TO PROVIDE SERVICE TO FUTURE USERS IN THE UTILITY BASIN

THE CITY COUNCIL OF THE CITY OF DURHAM ORDAINS:

Sec. 1. The Fee Schedule is changed by adding the following new Part:

Part 13B-115 (Utility Surcharge for Lick Creek Basin 25 or Utility Basins that discharge into Basin 25)

Any project that extends utilities through a City of Durham extension agreement shall be subject to a utility basin surcharge fee as stated below. Exceptions to this charge shall be defined in the Basin 25 Utility Contract Reimbursement Agreement.

$2,500.00 USD per unit for detached single-family dwellings (including townhomes and condo style townhomes)

$11.57 USD per gallon per day for all uses other than detached single family dwellings (as stated above), such as multifamily (condominium apartments, apartments, mixed use) and nonresidential development, per gallon per day of permitted wastewater flow (as defined by the sewer design flow rates found in the North Carolina Administrative Code Section 15A NCAC 02H .0200 – Waste Not Discharged to Surface Waters

Sec. 2. This ordinance takes effect on October 16, 2012.
