

Addendum # 2

**ST-264 Fayetteville Road Improvements
City of Durham
August 8, 2018**

The following changes and clarifications are applicable to the referenced project and are now a part of its contract documents. Where any article, division, or subparagraph of the original contract documents or other addenda is supplemented herein, the provisions of the original documents shall remain in effect. All the supplemental provisions shall be considered as added thereto. Where any such article, division, or subparagraphs are amended, voided, or superseded thereby, the provisions of such article, division, or subparagraph not so specifically amended, voided, or superseded shall remain in effect.

The attention of each contractor is called to the following clarifications, additions to, and changes in the plans and specifications, on the above project. It will be the responsibility of each contractor to call such clarifications, additions, and changes in plans and specifications to the attention of subcontractors concerned. The City in no way assumes any responsibility for notifying any subcontractor, material dealers, or others not having received the original contract documents.

Item 1: Acknowledgement of Addendum #2

Please send email to Charles.Rice@durhamnc.gov stating that you have received Addendum #2.

Item 2 Question: Is there an electronic bid sheet for the Buxton Riddle portion of the project? *Yes, it has been posted to the project website.*

Item 3 Question: Are there dirt tabulation sheets available for the above project for both Fayetteville street and Riddle Road? *No, dirt tabulation sheets were not created for these projects.*

Item 4 Question: Will a storm drain table be provided for the Buxton/Riddle portion of the project? *No, all information is included on the drainage blocks show on the plan sheets.*

Item 5 Question: Is a subsurface report available? *A subsurface report is not available for the project(s).*

Item 6 Question: Will any CAD files be released for this project? *CADD files (Microstation) can be released, if a release form is executed. If you would like files, provide the following: Company name, address and the person receiving the files.*

Item 7 Question: Is there any Geotech report, it looks like we might hit some rock for the storm lines. *There is no Geotech information available for the project(s).*

Item 8 Question: Can you add the tree line to the plans for the riddle road intersection? *The trees were surveyed however, a tree line was not established.*

Item 9 Question: On the Riddle plans there is a gas station sign at the intersection of Fayetteville & Riddle that might be in the way, are we responsible for moving this or can you verify if it needs to be moved. *The gas station sign should not be impacted. If impacted, the owner will relocate, or the contractor will relocate via the change order process.*

Item 10 Question: Utilities have not begun to move anything, is there an actual schedule for the utility relocation. We are concerned about being able to start when the notice to proceed begins. *A utility schedule has not been established. It is anticipated that the selected contractor will have to work in conjunction with utility companies. See page 25 "Utility Coordination", in the project specifications.*
