To the maximum extent allowed by law, Contractor shall defend, indemnify, and save harmless Indemnitees from and against all Charges that arise in any manner from, in connection with, or out of Contractor's performance of Professional Services under this Contract, but only to the extent such Charges are caused by the Professional Negligence of Contractor or its subcontractors or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable. In performing its duties under this subsection (a), Contractor shall at its sole expense defend Indemnitees with legal counsel reasonably acceptable to City.

(b) Indemnification for Charges Not Arising from Professional Services. To the maximum extent allowed by law, Contractor shall defend, indemnify, and save harmless Indemnitees from and against all other Charges (not covered in subsection (a)) that arise in any manner from, in connection with, or out of this contract as a result of acts or omissions of Contractor or subcontractors or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable. In performing its duties under this subsection (b), Contractor shall at its sole expense defend Indemnitees with legal counsel reasonably acceptable to City.

(c) Definitions. As used in subsections "a" and "b" above and "d" below -- "Charges" means claims, judgments, costs, damages, losses, demands, liabilities, duties, obligations, fines, penalties, royalties, settlements, and expenses (included without limitation within "Charges" are (1) interest and reasonable attorneys' fees assessed as part of any such item, and (2) amounts for alleged violations of sedimentation pollution, erosion control, pollution, or other environmental laws, regulations, ordinances, rules, or orders -- including but not limited to any such alleged violation that arises out of the handling, transportation, deposit, or delivery of the items that are the subject of this contract). "Indemnitees" means City and its officers, officials, independent contractors, agents, and employees, excluding Contractor. "Professional Services" means the performance of a particular, discrete act, which is required by North Carolina state law to be performed by an engineer, architect, landscape architect, or land surveyor licensed by the State of North Carolina. "Professional Negligence" means failure of Contractor to comply with the professional standard of care used by engineers on similar projects, whether such projects can be found locally, regionally or nationally in the performance or non-performance of professional services hereunder.

(d) Other Provisions Separate. Nothing in this section shall affect any warranties in favor of City that are otherwise provided in or arise out of this contract. This section is in addition to and shall be construed separately from any other indemnification provisions that may be in this contract.

(e) Survival. This section shall remain in force despite termination of this contract (whether by expiration of the term or otherwise) and termination of the services of Contractor under this contract.

(f) Limitations of Contractor's Obligation. Subsections "a" and "b" above shall not require Contractor to indemnify or hold harmless Indemnitees against liability for damages arising out of bodily injury to persons or damage to property proximately caused by or resulting from the negligence, in whole or in part, of Indemnitees.

Sec. 12. Trade Secrets; Confidentiality. The request for proposals (RFQ) section titled "Trade Secrets and Confidentiality" shall apply to any Trade Secrets disclosed to the City during the process leading to the parties' entering into this Contract (including all of the Contractor's responses to the RFP). This section (titled "Trade Secrets; Confidentiality") shall remain in force despite termination of this contract (whether by expiration of the term or otherwise) and termination of the services of the Contractor

under this contract. For purposes of this contract, the word “candidate” in the RFP section just cited shall mean the “Contractor.”

Sec. 13. Termination for Convenience (“TFC”). (a) *Procedure.* Without limiting any party’s right to terminate for breach, the parties agree that the City may, without cause, and in its discretion, terminate this contract for convenience by giving the Contractor written notice that refers to this section. TFC shall be effective at the time indicated in the notice. (b) *Obligations.* Upon TFC, all obligations that are still executory on both sides are discharged except that any right based on prior breach or performance survives, and the indemnification provisions and the section of this contract titled Trade Secrets and confidentiality, if any, shall remain in force. At the time of TFC or as soon afterwards as is practical, the Contractor shall give the City all Work, including partly completed Work. In case of TFC, the Contractor shall follow the City’s instructions as to which subcontracts to terminate. (c) *Payment.* The City shall pay the Contractor an equitable amount for the costs and charges that accrue because of the City’s decisions with respect to the subcontracts, but excluding profit for the Contractor. Within 20 days after TFC, the City shall pay the Contractor one hundred dollars as a TFC fee and shall pay the Contractor for all Work performed except to the extent previously paid for. Work shall be paid for in accordance with the method (unit prices, hourly fees, etc.) to be used for payment had the Work been completed except to the extent it would be inequitable to either party, and if Work was to be paid for on a lump-sum basis, the City shall pay the part of the lump sum that reflects the percentage of completion attained for that Work. The Contractor shall not be entitled to any payment because of TFC except as stated in this section, whether on the basis of overhead, profit, damages, other economic loss, or otherwise.

Sec. 15. Ownership of Work Products.

(a) The Contractor hereby assigns to the City, without reservation, all copyrights in all Project-related documents, models, photographs, and other expression created by the Contractor. Among those documents are certain “Work Product,” including the design drawings and the Construction Documents. The City’s obligation to pay the Contractor is expressly conditioned upon the Contractor’s obtaining a valid written comprehensive assignment of copyrights from its consultants in terms identical to those that obligate the Contractor to the City as expressed in this subsection, which copyrights the Contractor, in turn, hereby assigns to the City. The City, in return, hereby grants the Contractor and its subcontractors and subconsultants a revocable, nonexclusive license to reproduce the documents for purposes relating

directly to the Contractor's performance of its obligations under this Agreement for the Contractor's archival records, and for the Contractor's reproduction of drawings and photographs in the Contractor's marketing materials. This nonexclusive license shall terminate automatically upon the occurrence of either a breach of this Agreement by the Contractor or the accused commission by the Contractor of a tort or a crime affecting the City or the project or upon termination of this Agreement. This nonexclusive license is granted to the contractor alone and shall not be assigned by the Contractor to any other person or entity, except that the non-exclusive license granted in this Agreement to the Contractor for purposes of the Contractor's performance hereunder may be sub-licensed to the Contractor's subcontractors or subconsultants (with the same limitations). Subject to the foregoing, this nonexclusive license shall terminate automatically upon a Consultant's assignment of this nonexclusive license to another or its attempt to do so.

(b) To the extent that liability arises from misuse of the Work Product by the City or another consultant or designer, the Contractor shall not be responsible for that misuse. If the City uses the Work Products for purposes including additions to and modifications of the project, and for other projects, the City shall indemnify the Contractor for losses, including reasonable attorneys' fees, suffered by the Contractor as a result of the use of the design and these documents for such other purposes. If these documents are used for other purposes, the City shall see that they are modified (i) to indicate that the Contractor did not prepare them for such other purposes and is not responsible for their use in connection with such other purposes and (ii) to delete the Contractor's name and seal from the documents (where permitted or required by law).

(c) Except for the licenses granted in this Section 15, no other license or right shall be deemed granted or implied under this Agreement. No other project-related data, expression, or documents may be reproduced by the Contractor or its subcontractors or subconsultants for any other purposes without the express written permission of the City.

(d) If the City subsequently reproduces project-related documents or creates a derivative work based upon project-related documents created by the Contractor, the City shall (where permitted or required by law) remove or completely obliterate the original professional's seals, logos, and other indications on the documents of the identity of the Contractor and its subcontractors or subconsultants.

Sec. 16. Miscellaneous

(a) Choice of Law and Forum; Service of Process. (i) This contract shall be deemed made in Durham County, North Carolina. This contract shall be governed by and construed in accordance with the law of North Carolina. The exclusive forum and venue for all actions arising out of this contract shall be the North Carolina General Court of Justice, in Durham County. Such actions shall neither be commenced in nor removed to federal court. This subsection (a) shall not apply to subsequent actions to enforce a judgment entered in actions heard pursuant to this subsection. (ii) If the Contractor is not a natural person (for instance, the Contractor is a corporation or limited liability company), this subsection (ii) applies. "Agent for Service of Process" means every person now or hereafter appointed by the Contractor to be served or to accept service of process in any State of the United States. Without excluding any other method of service authorized by law, the Contractor agrees that every Agent for Service of Process is designated as its non-exclusive agent for service of process, summons, and complaint. The Contractor will instruct each Agent for Service of Process that after such agent receives the process, summons, or complaint, such agent shall promptly send it to the Contractor. Secretary of State and such registered agent can be found with due diligence at the registered office.

(b) Waiver. No action or failure to act by the City shall constitute a waiver of any of its rights or remedies that arise out of this contract, nor shall such action or failure to act constitute approval of or acquiescence in a breach thereunder, except as may be specifically agreed in writing.

(c) Performance of Government Functions. Nothing contained in this contract shall be deemed

or construed so as to in any way estop, limit, or impair the City from exercising or performing any regulatory, policing, legislative, governmental, or other powers or functions.

The City Manager may consent to an assignment without action by the City Council. Unless the City otherwise agrees in writing, the Contractor and all assignees shall be subject to all of the City's defenses and shall be liable for all of the Contractor's duties that arise out of this contract and all of the City's claims that arise out of this contract. Without granting the Contractor the right to assign, it is agreed that the duties of the Contractor that arise out of this contract shall be binding upon it and its heirs, personal representatives, successors, and assigns.

(f) Compliance with Law. In performing all of the Work, the Contractor shall comply with all applicable law.

(g) Notice of City Policy. THE CITY OPPOSES DISCRIMINATION ON THE BASIS OF RACE AND SEX AND URGES ALL OF ITS CONTRACTORS TO PROVIDE A FAIR OPPORTUNITY FOR MINORITIES AND WOMEN TO PARTICIPATE IN THEIR WORK FORCE AND AS SUBCONTRACTORS AND VENDORS UNDER CITY CONTRACTS.

(h) EBOP. The Contractor shall comply with all applicable provisions of Article III of Chapter 18 of the Durham City Code (Equal Business Opportunities Ordinance), as amended from time to time. The failure of the Contractor to comply with that article shall be a material breach of contract which may result in the rescission or termination of this contract and/or other appropriate remedies in accordance with the provisions of that article, this contract, and State law. The Participation Plan submitted in accordance with that article is binding on the Contractor. Section 18-59(f) of that article provides, in part, "If the City Manager determines that the Contractor has failed to comply with the provisions of the Contract, the City Manager shall notify the Contractor in writing of the deficiencies. The Contractor shall have 14 days, or such time as specified in the Contract, to cure the deficiencies or establish that there are no deficiencies." It is stipulated and agreed that those two quoted sentences apply only to the Contractor's alleged violations of its obligations under Article III of Chapter 18 and not to the Contractor's alleged violations of other obligations.
