Durham Hosts Proposed Morreene Road Sidewalk Facilities Meeting *October 25 Drop-In Style Meeting to Collect Resident Input on Design Plans*

DURHAM, N.C. – If you live, work, or travel along Morreene Road in Durham, you'll want to mark your calendar for a meeting later this week to discuss pedestrian designs for this street.

The City of Durham Public Works Department is now preparing designs for pedestrian facilities along [Morreene Road from Neal Road to Erwin Road](#), and City staff wants to share their work and receive community input.

The drop-in style meeting is set for Thursday, October 25 from 6 p.m. to 8 p.m. in the E.K. Powe Elementary School Cafeteria, located at 913 Ninth Street, Durham. Residents will be able to review the preliminary design, ask questions of City staff and consultants, and provide input before the department completes the design work. The goal of the project is to improve pedestrian accommodations with proposed improvements including sidewalk, curb ramps, pedestrian crossings, and associated pavement markings.

For residents who cannot attend this meeting, maps and comment forms to collect their feedback will be available after the meeting date on the [project website](#). Resident feedback is due by Thursday, November 8.

For additional information about the project, contact Cathy Kennedy, PE with Kimley-Horn and Associates, Inc. at (919) 678-4139 or cathy.kennedy@kimley-horn.com, or Neil Allen, with the City's Public Works Department at (919) 471-3581 or neil.allen@DurhamNC.gov. Persons who require assistance to attend the meeting should call (919) 560-4197 or email ADA@DurhamNC.gov no later than 48 hours before the event.

About the City of Durham Public Works Department

The City of Durham [Public Works Department](#) provides a wide range of services, including street maintenance, engineering design, development review, and stormwater quality and infrastructure maintenance. The department plans and executes the City's winter weather and natural disaster plans. The department ensures that Durham's street infrastructure is safe and well maintained, which supports the quality of life and serves as a foundation of a healthy economy. As guided by the [City's Strategic Plan](#), the department serves as a steward of the City's physical and environmental assets and ensures that residents live in a safe, secure, and thriving community.
