<i>Project Title</i> IT Infrastructure Improvements		<i>Pin Number</i>	
<i>Master Plan</i>			

Project Description

This submission will be used to remediate inadequate IT infrastructure supporting the City's business functions, and address existing risks and vulnerabilities to ensure the accessibility, integrity, and protection of the City's intellectual property and to support the City's ability to provide continuous critical business operations. These improvements will support the business operations for the City's departments and the organization overall.
