

Guidelines for successfully completing this application can be found in the section of the [Reference Guide for Development](#) (RGD) titled “Alternatives Applications Procedures”. Please note that staff is not required to approve an alternative requested on this application and additionally staff cannot approve any request that does not meet State minimum design criteria. Complete one application per request for an alternative to one section of the RGD. Submit application and pay fee online: <https://dsc.durhamnc.gov/264>. For questions, please contact triage@durhamnc.gov.

- Tier 1 Request \$1500 (does not significantly impact design or construction, or may be approved by City staff with conditions)
- Tier 2 Request \$4000 (significantly impacts design, construction, or future maintenance. It may require significant review by City staff)
