

Water and Sewer Maintenance Division Temporary Hydrant Meter Assembly Application

Hydrant meter assemblies are offered to customers to temporarily obtain water for non-drinking use in a safe and legal manner.

A two (2) business day notification is required for all fire hydrant meter assembly requests.

- Call (919) 560-4344 and choose option #8 for all inquiries related to hydrant meter assemblies, temporary fire hydrant connection service, and availability, or reach us by email at HydrantMeters@DurhamNC.gov.
 - **Option 1.** Place the \$500 refundable deposit and application in a sealed envelope in the drop box outside of City Hall (on Mangum Street).
 - **Option 2.** Send the completed application to HydrantMeters@DurhamNC.gov with HYDRANT in the subject line. THEN Call Customer Billing Services at 919-560-1200 and pay the \$500 deposit over the phone.
- In most cases fire hydrant meter assemblies can be installed within five (5) business days of receipt of payment.

Fee Schedule	
Deposit:	\$500 (Refundable)
Rental Fee:	\$150/Month
Consumption:	Current Tier 3 Water Rate

Location to install hydrant meter assembly: It is expected that hydrant meter customers will research and provide City of Durham staff with the EXACT desired location for their requested assembly. If you are connecting to a hydrant, you MUST provide the 5-digit tag number.

Hydrant Tag #: _____ OR Exact Address: _____

Type of Assembly (check one):

- Standard Assembly – 2.5” NST Fire Hose Connection & ¾” MIPT Garden Hose Connection connected to a Fire Hydrant
- Jumper Box Assembly – 2.5” NST Fire Hose Connection connected to an inspected tap per the Engineering Requirements where no hydrant is readily available.
