DSC Fees and Payment Menu
Payment Types and Related Fees, Effective July 1, 2021
Updated February 2022
City-County Planning, City Public Works, Transportation, Water Management

Application Questions: Planning@DurhamNC.gov | 919-560-4137

Important Things to Know About Paying Development Services Center (DSC) Fees

1. Development Services Center (DSC) staff are here to help with specific fee payments from 8:00 a.m. to 5:00 p.m. on non-holiday weekdays. Email Planning@DurhamNC.gov or call 919-560-4137. Staff will get back to you as soon as possible within 48 hours (2 workdays).
2. Checks are not accepted in person or by mail, and will be returned and the review delayed. The Development Services Center and the Planning Department are using the Development Services One-Time Payment Portal to collect fees for all application or permit types listed in this schedule.
3. For City-County Inspections Department fees, please contact Inspections at 919-560-4144.
4. Please read the schedule carefully to note changes in names of fee types. Total Fee $ listed include the 4% technology fee and notice fees, as needed. A NOTE ABOUT PROCESSING FEES: Total Fees listed do NOT include the Processing Fee charged by the payment portal AFTER entering the listed fee amount. The portal adds $0.50 to the listed fee for each e-check or 3.3% of the listed fee for credit or debit card payments. For example, if paying by e-check for a $156 fee, enter the $156.00 fee and payment method, then the portal adds a $0.50 Processing Fee, for a total of $156.50. For credit or debit payments, enter the $156.00 fee and payment method; the payment portal adds 3.3% ($5.15), for a total of $161.15 ($156 x 3.3% = $5.15; $156 + $5.15 = $161.15).
5. Some applications continue to require more than one payment using different payment types. They are listed together for convenience but paid separately.
6. Attach a copy of all payment receipt(s) with the application. Applications without proof of correct payment will not be accepted.

<table>
<thead>
<tr>
<th>Making a Payment</th>
<th>Description Fields</th>
<th>Additional Information</th>
</tr>
</thead>
<tbody>
<tr>
<td>Find the application type listed in the tables below.</td>
<td>Fill in Description Fields:</td>
<td>If more than one payment is needed:</td>
</tr>
<tr>
<td>• Make note of all related payment amounts and payment types. There may be more than one separate payment needed.</td>
<td>• Use both lines to identify the project. More description is better than less, and helps staff verify that the payment is correct, resulting in fewer delays.</td>
<td>• Use the same project description from the application fee payment for other payments needed for the same project and add what it’s for, such as “TIA” or “UEA,” etc.</td>
</tr>
<tr>
<td>Payment Type</td>
<td>Case # or project information</td>
<td>Example: “TIA - Level 4-T1 SP-Main Street Makeover, 123456.”</td>
</tr>
<tr>
<td>S-Planning Inspections</td>
<td>Project Name/Info</td>
<td>For existing applications or new permits/cases with a staff-given number, enter the permit or case number, the project type, and project name.</td>
</tr>
<tr>
<td>S-Planning Inspections</td>
<td>Start description with labels described in the table under Total Fee $ and Type with Label. Add PID or Address at a minimum.</td>
<td>Use both description fields as needed.</td>
</tr>
<tr>
<td>• Open the Online Payment Portal and Choose the Payment Type. HINT: Enter the payment #, such as “S” into the “Payment Type” field to jump to the desired payment type.</td>
<td>Example: “Level 4-T1 SP-Main Street Makeover, 123456” for a “Level 4, Tier 1 Site Plan called Main Street Makeover, located at parcel 123456.”</td>
<td>A Processing Fee applies to each payment. DO NOT include Processing Fee in Total Fee $.</td>
</tr>
<tr>
<td>• Then enter the Total Fee $ listed in this document.</td>
<td>New Applications - DO NOT USE FORMER PERMIT or CASE NUMBERS as this makes the payment harder to identify and may delay processing and review.</td>
<td>If you need assistance, contact the Planning Department at 919-560-4137. Durham One Call will respond and provide assistance as needed.</td>
</tr>
<tr>
<td>• DO NOT include Processing Fee in Total Fee $.</td>
<td></td>
<td></td>
</tr>
</tbody>

</tr>
</tbody>
</table>

**Latest Revision, February 2022:**
1) Added payment type “12-Open Space Payment-in-Lieu” for residential subdivision final plats only when open space is not dedicated. No tech fee is charged.
2) Corrected 11.10, Outdoor Seating Permit fees because final version of City Ordinance #15882 reinstated the fees waived during the temporary ordinance.
### Annexation, Comprehensive Plan Amendment, and Zoning Map Change - Planning

1. **Annexation, Consolidated - Planning**

- Fees include notice fees with 1 sign*, in-person recordation by staff, and 4% technology fee.
- *Processing fees* apply according to payment method and are extra and charged at checkout. **DO NOT include Processing Fee in Total Fee $**.
- Additional signs, as required to provide sufficient notification, are $104 each + *Processing fees*. Listed fees and payment amounts do not include other associated Planning application fees, such as a Zoning Map Change.
- Separate payments for the UEA fee and the SUDS fee, + *Processing fees* as listed below, are required at the time of application for a Consolidated Annexation.

</tbody>
</table>

* If multiple signs are necessary to adequately notify neighbors, $104.00 per extra sign will be charged + the applicable Processing Fee.
### 2. Comprehensive Plan Amendment - Planning

- Fees include notice fees, as listed below, and the 4% technology fee.
- **Processing fees** apply according to payment method and are extra and added at checkout. **DO NOT include Processing Fee in Total Fee $.**
- For 2.1a, and 2.1b, Comprehensive Plan Amendment, notice includes 1 governing body hearing†. For 2.2, Comprehensive Plan Text Amendment, 2 governing body hearings are required and included in the payment.
- Additional signs, as required to provide sufficient notification of a proposed Tier boundary change (2.1b only), will be charged at $104 each + Processing fees.

* If multiple signs are necessary to adequately notify neighbors, $104.00 per extra sign will be charged + the applicable Processing Fee.
† If the case must be heard by both governing boards, newspaper notification fees are increased by $479.00 + the applicable Processing Fee.
# 3. Zoning Map Change (Rezoning) - Planning

- **NEW** - Zoning Map Change fees are based on type of development plan (none, text-only, or graphic) and consistency with the adopted Future Land Use Map (FLUM) of the Durham Comprehensive Plan.
- **Processing fees** apply according to payment method and are extra and added at checkout. DO NOT include **Processing Fee** in Total Fee $.
- Additional signs, as required to provide sufficient notification, are $104 each + **Processing fees**. Listed fees do not include other associated Planning application fees, such as Annexations.
- NOTE: A separate $500 SUDS (Summary Utility Development Statement) fee + **Processing fees** is charged for a rezoning that is not part of a consolidated annexation request. Other separate fees are listed at the end of Section 3, and are required at the time of application for a Zoning Map Change.

### 4. Board of Adjustment (BOA) - Planning

- The Board of Adjustment holds quasi-judicial hearings on the following applications. Fees include 4% technology fee, unless noted, in addition to applicable notice fees.
- **Processing fees** apply according to payment method and are extra and added at checkout. **DO NOT include Processing Fee in Total Fee.** Additional signs, as required to provide sufficient notification, are $104 each + **Processing fees**. Special Use Permit payments include recordation at the Durham County Register of Deeds, by staff.

7. Historic Properties – Certificate of Appropriateness (COA) - Planning

- Fee includes 4% technology fees and, for Major and Master COAs, notice, and 1 sign*. Additional signs, as required to provide sufficient notification, are $104 + Processing fees. Processing fees apply according to payment method and are extra and added at checkout. DO NOT include Processing Fee in Total Fee $.
- Major COAs are required for modifications to building or site elements that may impact the original character of the structure, construction of new structures, and additions to and demolition of historically-significant structures. See Work Requiring a Certificate of Appropriateness.
- Applications fees are doubled for “after-the-fact” or “retroactive” applications submitted after work has begun or been completed.

### Inspections Department Fees
Fees for building permits, electrical, mechanical, plumbing, and multi-trade permits are on the Inspections Department web page. Payment requires contractor log-in with a Land Development Office (LDO) account, or call 919-560-4144 to create a log-in. Payment is made on the City of Durham Land Development Office website, NOT in the DSC payment portal.

### 9. Landscape Extension - Planning
- Landscape Extensions must be approved before requesting site inspection for Planning sign-off on a building permit or other Certificate of Compliance. See UDO Sec. 9.11, Extensions. Fee amount includes a 4% technology fee. Processing fees apply according to payment method and are extra and added at checkout.

# 18. Right-of-Way – Temporary Closure - Planning

- Right-of-Way permits, issued through Engineering (Public Works), include various permits for improvements within the public right-of-way. See Engineering Department Fees, 5.7, Right-of-Way Permit, Engineering.

  - Right-of-way temporary closures, issued through Planning, are **temporary** closures of street lanes, sidewalks, parking spaces, and loading zones or loading spaces for a defined period of time during construction of adjacent properties or to accommodate outdoor seating. All temporary closure requests require the base fee plus the fee-per-day for affected portions of the right-of-way. Technology fees are included in the payment amounts shown below, except as noted.

- **Processing fees** apply according to payment method, and are extra and added at checkout. **DO NOT include Processing Fee in Total Fee $**.

## 19. Sign Permits and Related Applications - Planning

- Includes various signs that require permits: 19.1, Banner Plan, 19.2, Common Signage Plan or Wayfinding Signage Plan, 19.3, Permanent Signs, and 19.4, Temporary Signs. Fees for 19.5, Sign Compliance Inspections and Re-Inspection, by Planning of the sign and required landscaping do not include related inspections, such as for electrical permits. Technology fees are included in the fees below.
- **Processing fees** apply according to payment method and are extra and added at checkout. **DO NOT include Processing Fee in Total Fee $**.
- Multiple signs may be submitted on the same permit for the same property, but fees are per-sign.
- **NOTE**: After-the-fact sign applications for work begun or completed without a permit requires double the fees.

## 21. Site Plans – Planning

- **Reference:** See UDO Sec. 3.7, Site Plan Review and Appendix, II, Site Plans.
- Structured parking, accessory buildings, and service areas within a building are considered habitable building area.
- **Processing fees** apply according to payment method and are extra and added at checkout. **DO NOT include Processing Fee in Total Fee $**.
- Level 4 Site Plans are site plans that don’t meet the criteria for Level 1, Level 2, Level 3, or Major Site Plans. Level 4 fees have been restructured.
- Tiers 1-4 of the 7-tiered, Level 4 fee structure have a flat fee, including technology, that applies to nonresidential and multifamily buildings totaling less than 100,000 square feet of new, habitable building area on a single lot.
- Tier 5, Level 4 Site Plans applies to buildings larger than 100,000 square feet on a single lot, and adds $46.80 per 1,000 square feet of the new total, habitable building area to the base fee.
- Tier 6, Level 4 Site Plans includes new residential and other lots, such as open space and common areas, and may also include a maximum of 5,000 square feet of nonresidential and accessory buildings in the project.
- Tier 7 is for a mixture of uses with more than 5,000 square feet of nonresidential or multifamily.
- See also Appendix, II.A, Development That Does Not Require a Site Plan.

### Fee Type | Description | Total Fee $ & Type with Label | Parts of Total | Fee Details
--- | --- | --- | --- | ---
21.1. Level 1 Site Plan | A site plan with all of the following: 1. No new impervious surfaces added, 2. No changes in stormwater management, 3. No new, habitable building area, 4. Less than 12,000 sq. ft. of land disturbance, 5. Does not meet the requirement for Development That Does Not Require a Site Plan, and 6. Requires only Planning Department and Inspections Department review. | $218.40 + Processing Fee 4-Planning; Label as Level 1 SP-Project Name | $210.00 + $8.40 | Base Fee + 4% Technology Fee $218.40 Total Fee
21.2. Level 2 Site Plan | A site plan with all of the following: 1. A maximum of 500 square feet (sq. ft.) of new impervious surfaces (NOTE: Building area resulting in a conversion to new impervious surface counts toward this threshold) (Added for clarification, September 2021), 2. No changes in stormwater management, 3. No more than 1,000 sq. ft. of new, habitable building area, and 4. Less than 12,000 sq. ft. of land disturbance. | $676 + Processing Fee 4-Planning; Label as Level 2 SP-Project Name | $650.00 + $26.00 | Base Fee + 4% Technology Fee $676.00 Total Fee
21.3. Level 3 Site Plan | A site plan with all of the following: 1. A maximum of 500 sq. ft. of new impervious surfaces (NOTE: Building area resulting in a conversion to new impervious surface counts toward this threshold) (Added for clarification, September 2021), 2. No changes in stormwater management, 3. Greater than 1,000 sq. ft. of new, habitable building area, and 4. Less than 12,000 sq. ft. of land disturbance. | $1,872 + Processing Fee 4-Planning; Label as Level 3 SP-Project Name | $1,800.00 + $72.00 | Base Fee + 4% Technology Fee $1,872.00 Total Fee

Please see the following pages for the Appendix: Descriptions of Certain Development Application Thresholds.

The Table of Contents follows the Appendix on page 35.

Appendix: Description of Certain Development Application Thresholds

I. Floodplain Development Applications

Reference: See Unified Development Ordinance (UDO) Sec. 3.21, Floodplain Development Permit.

A. Floodplain As-Built Review: Review of floodplain development permit as-built documentation when construction is complete and prior to a Certificate of Completion or final approval.

B. Floodplain Building Permit Review: Review of a building permit application on a parcel with floodplain to confirm whether or not a floodplain development permit is required.

C. Enhanced Floodplain Building Permit Review: Review of a building permit application that is associated with an enhanced building permit review on a parcel with floodplain, to confirm whether a floodplain development permit is required.

D. Floodplain Development Permit (Small): Review of proposed floodplain development that does not modify or obstruct floodway or non-encroachment areas.

E. Floodplain Development Permit (Medium): Review of proposed development that obstructs or modifies the floodplain without increasing the dimensions of the floodway & non-encroachment areas & that requires approval of flood hazard calculations or an engineer’s certification.

F. Floodplain Development Permit (Large): Review of proposed floodplain development that requires review of a flood study, no-rise certification, CLOMR, or LOMR, etc.

II. Site Plans. Reference: See UDO Sec. 3.7, Site Plan Review.

A. Development That Does Not Require a Site Plan:
   1. One-family and two-family development, including accessory uses and accessory dwellings, on existing individual lots zoned to allow those uses.
2. Change of business name or ownership when land use(s) remain(s) the same.
3. Interior alterations with no change to the land use, building facade, or building footprint.
4. Changes of use that do not require additional parking, stacking, or landscaping, or a Traffic Impact Analysis (TIA).

B. **General Site Plan Notes:**
   1. All new building square footage shall be rounded up to the next whole number and applies to the entire, habitable square footage (area) within nonresidential, multifamily, and mixed use buildings.
   2. Structured parking, accessory buildings, and service areas within a building are considered habitable building area.
   3. Townhomes and other single buildings on multiple lots require the per-lot fee.
   4. Open space and common area lots are considered new lots being created.
   5. Site Plans which do not require an initial re-review will be reimbursed 33% of the original review fee, not including the technology fee.

C. **Level 1:** A site plan with all of the following:
   1. No new impervious surfaces added,
   2. No changes in stormwater management,
   3. No new, habitable building area,
   4. Less than 12,000 sq. ft. of land disturbance,
   5. Does not meet the requirement for Development That Does Not Require a Site Plan, AND
   6. Requires only Planning Department and Inspections Department review.
D. **Level 2**: A site plan with all of the following:
   1. A maximum of 500 square feet (sq. ft.) of new impervious surfaces added *(NOTE: Building area resulting in a conversion to new impervious surface counts toward this threshold) (Added for clarification, September 2021)*,
   2. No changes in stormwater management,
   3. No more than 1,000 sq. ft. of new, habitable building area, and
   4. Less than 12,000 sq. ft. of land disturbance.

E. **Level 3**: A site plan with all of the following:
   1. A maximum of 500 sq. ft. of new impervious surfaces *(NOTE: Building area resulting in a conversion to new impervious surface counts toward this threshold) *(Added for clarification, September 2021)*,
   2. No changes in stormwater management,
   3. Greater than 1,000 sq. ft. of new, habitable building area, and
   4. Less than 12,000 sq. ft. of land disturbance.

F. **Level 4**: A site plan that does not meet the definitions of a Level 1, Level 2, Level 3, or Major Site Plan.
   1. See fee schedule for Tier definitions and examples of Tier 6 (Example A) and Tier 7 (Example B) calculations below.
   2. **Example A**: Calculation of fees for a 50-lot townhome development with a 5,000 square foot new common building and 3 open space lots, proposed on one existing lot. **This is a Level 4 Site Plan, Tier 6**.
      a) 50 new townhome lots + 3 open space lots – 1 existing lot = 52 lots x $45.00 = $2,340.00.
      b) + $4,300.00 base application fee = $6,640.00.
      c) + 4% technology fees on the subtotal ($6,640.00 x 0.04 = $265.60).
      d) Total fee = $6,905.60.
   3. **Example B**: Calculation of fees for a 50-lot townhome development with a 5,000 square foot common building and 3 open space lots proposed on an existing lot, plus a 10,000 square foot nonresidential building on a new lot. **This is a Level 4 Site Plan, Tier 7**.
      a) First, calculate the townhome portion, including the common building, as in Example A, for a total fee of $6,905.60.
      b) Add $5,300.00 + 4% technology fees for a new 10,000 square foot nonresidential building (equivalent to Level 4, Tier 2) = $5,512.00.
      c) Total fee = $6,905.60 + $5,512.00 = $12,417.60.

G. **Major Site Plan**: A site plan that involves at least one of the following:
   1. The requirements of a Major Special Use Permit or Transportation Special Use Permit; or
   2. Standards that require Governing Body approval; or
   3. A site located in a Watershed Protection Overlay Critical Area (A) with proposed impervious surfaces that exceed the maximum permitted by the Low Density Option under UDO Section 8.7, Watershed Protection Overlay Standards.
III. Subdivisions. Reference: See UDO Sec. 3.6, Subdivision Review

A. Exempt Plat: A plat that involves no more than the following:
   1. Combination or recombination of existing lots if the total number of lots is not increased and the new lot(s) meet or exceed UDO requirements.
   2. Modification or dedication of a private easement.
   3. Right-of-Way Withdrawal (not a Street Closing), conforming with NC General Statutes.
   4. The division of a tract in single ownership of which the entire area is no greater than two acres into not more than three lots, if no street right-of-way dedication is involved, and if the resultant lots are equal to or exceed the standards of the UDO.
   5. The division of land into parcels greater than ten acres if no street right-of-way dedication is involved.
   6. The public acquisition by purchase of strips of land for widening or opening streets or for public transportation system corridors.
   7. The division of a tract into parcels in accordance with the terms of a probated will or in accordance with intestate succession under Chapter 29 of the General Statutes.

B. Minor Plat: A plat that involves the following:
   1. A Final Plat that does not qualify as an Exempt Plat or require a Preliminary Plat.
   2. Right-of-way dedication or private access easement.
   3. The subdivision of land into 2 to 6 lots and does not require right-of-way dedication, new utilities or the extension of utilities, or stormwater management.

C. Major Final Plat: A Final Plat that does not meet the definitions of an Exempt Plat or Minor Plat. Major Final Plats which do not require an initial re-review will be reimbursed 33% of the original review fee, not including the technology fee.

D. Preliminary Plat – Major or Minor:
   1. The subdivision of land into more than six lots.
   2. The subdivision of land into 2 to 6 lots if it requires the dedication of public lands, adding streets, new utilities or the extension of utilities, or requires diffuse flow mechanisms or stormwater management facilities.
   3. A major preliminary plat is a major site plan that also serves as a preliminary plat for a subdivision.
   4. See also UDO paragraphs 3.6.6, Preliminary Plat Requirements, and 3.6.7, Preliminary Plat Approval.
   5. Preliminary Plats which do not require an initial re-review will be reimbursed 33% of the original review fee, not including the technology fee.

IV. Other Fee-Related Definitions and Descriptions

A. Business Verification Letter: A due-diligence letter provided by the Planning Department to verify that a new business or change of use outside of the home is permitted in the location requested and either meets or exceeds UDO requirements, or specifies the approvals needed prior to meeting UDO requirements. Variations of the business verification letter are used for new automobile sales as a DMV (NC DMV) Business Verification Letter or to verify a proposed Family Care or Group Home is allowed and meets UDO separation requirements.

B. Certificate of Appropriateness (COA): A COA is required for the following: From and after the designation of an historic district or historic landmark, no exterior feature or designated portion of any building or other site work (including masonry walls, fences, light fixtures, steps, pavement, above-ground utility and mechanical equipment, signs, landscaping, and other appurtenant features) shall be erected, altered, restored, moved or demolished within a historic district or on such historic landmark until after an application for a certificate of appropriateness (COA) as to the exterior feature or designated portion has been submitted to and approved by the Historic Preservation Commission (HPC). See UDO Sec. 3.17, Certificate of Appropriateness (COA), for more details.
C. **Certificate of Appropriateness, Major, or Major COA:** COAs that do not qualify as Minor COAs and require approval by the HPC. See UDO paragraph 3.17.5, Major Works COA.

D. **Certificate of Appropriateness, Master, or Master COA:** Public projects proposed in multiple locations in an historic district by the City and County and public utility companies may be submitted as a master COA from the HPC instead of obtaining individual COAs for each proposed project.

E. **Certificate of Appropriateness, Minor, or Minor COA:** COAs approved or amended by Planning staff. No quasi-judicial hearing is required, although staff periodical reports actions taken on Minor COAs to the HPC. See UDO paragraph 3.17.4, Minor Works COA.

F. **Home Occupation:** Any occupation conducted by the inhabitants of the dwelling, which is secondary to the main use as a dwelling, and causes no change in the exterior of the dwelling. See UDO paragraph 5.4.4, Home Occupations. A new home occupation requires a Home Occupation Permit, per UDO Sec. 13.3, Home Occupation Permit.

G. **Inconsistency Fee:** Charged when one or more proposed districts for a Zoning Map Change are not consistent with the adopted Durham Comprehensive Plan Future Land Use Map (FLUM). See UDO paragraph 3.5.4, Consistency with the Comprehensive Plan.

H. **Off-Site Paper File Retrieval Fee:** Retrieval of a physical Planning file or plan from off-site storage when it is available in digital format at the time of the request.

I. **Reasonable Accommodation:** In conformance with UDO Sec. 3.23, Reasonable Accommodation, the procedure for making requests for reasonable accommodation to land use and zoning regulations, policies, practices, and procedures of the City and County of Durham to comply fully with the intent and purpose of Federal laws. Reasonable accommodation requests are processed by the Planning Department and subject to a quasi-judicial hearing and decision by the Board of Adjustment.

J. **Reference Guide for Development (RGD):** Formally adopted into Sec. 1-16 of the City of Durham Code of Ordinances on May 18, 2020. The City of Durham Public Works Department Engineering Division and Stormwater Services & GIS Division, the Department of Transportation Development Review and the Department of Water Management Development Review Groups have prepared this guide to explain their involvement in the City’s Development Review Process and to provide a reference manual of some of the City’s design standards and design requirements.

K. **Temporary Use Permit (TUP):** Issued by the Planning Department, a temporary use permit is required for certain temporary uses, in keeping with UDO Sec. 3.12, Temporary Use Permit, and Sec. 5.5, Temporary Uses, and occurring on property outside of the public right-of-way. Temporary uses meeting UDO requirements shall be allowed upon the issuance of a temporary use permit, except as set forth in specific standards in UDO Sec. 5.5.

L. **Text-Commitment-Only Development Plan:** A text-only or text-commitment-only development plan shall be limited to applications that only proffer commitments that specify, limit, and/or prohibit uses within the zoning district requested pursuant to UDO Sec. 5.1, Use Table. A text-only development plan shall not be permitted for a zoning map change request for a Planned District listed in Sec. 4.4, Planned District Intent Statements. See also UDO paragraph 3.5.6H.

M. **UDO, Unified Development Ordinance:** The term “UDO” means the *Unified Development Ordinance*, as adopted by both the City and County of Durham, North Carolina.

N. **WCF:** Wireless Communication Facilities. For fee purposes, this term does not include Small Cell Wireless permits.

N. **Zoning Verification Letter:** A due-diligence letter provided by the Planning Department to verify the zoning and any zoning overlays on a property and is often required by financial institutions. It does not verify that a specific use is allowed on the property (see Business Verification Letter).
