-----------------	--------------

This digital form is required to be submitted with any zoning map change application, including those with a development plan. Each property owner for each parcel included in the application must provide a signature and date.

It is the applicant's (or agent's) responsibility to remain current on these developments and assess any potential impacts in consultation with staff.

Only the 6-digit Real Estate Identification (REID) should be used on this form.

ACKNOWLEDGEMENT STATEMENT

I(we), _____, owner(s)* of the _____-acre property having

Six-Digit
Real Estate Identification
(REID):

_____	_____

am(are) aware of the application for the _____ zone and consent to the zoning map change, and development plan, if applicable. A development plan places significant limitations on the physical development of the land. The obligation to develop in accordance with an approved development plan runs with the land and is not dependent on this particular applicant. Changes to a development plan approved with a rezoning request may require a future zoning map change request. *Whatever name is listed on the parcel deed needs to be reflected. For LLCs, the LLC should be listed and supporting documentation on authority to sign provided in addition to this acknowledgment.
