

REQUEST FOR QUALIFICATIONS

ST-318C Inspections for Construction Projects

The City of Durham will accept Qualifications submittals from Bidders until **3:00 PM on 03/19/2021 for Contract ST-318C “Inspections for Construction Projects”**. This is a Request for Qualifications (RFQ) from qualified firms (Engineers) to provide inspections services for the City projects: ST-286 Petition Streets 2021, WS-85 Sewer Extension on Garrett & Mimosa, SW-80 Trail Repairs 2021. The inspection work involved will be the same as that a City staff inspector would perform. Inspection services will be required for the street construction, installation of water and sewer lines, repair of streets, sidewalks and trails, curb and gutter work, and any related work under various construction contracts at various locations throughout the City. Ombudsperson services, minor engineering design and providing traffic control plans are other services required.

The contract documents and project information will be available on the City of Durham, Public Works’ project website:
