SW-81: Public Works – Street Maintenance Repair 2021
May 26, 2021 – 10:00 A.M.**

- Line Items:
 - 6” of ABC Stone (or #57) is included in concrete line items. The Incidental items are for any additional necessary
 - Asphalt line items are for paving in gutters or areas where filling in asphalt is necessary to sidewalk work. No binder adjustments will be included.
 - Sawcutting is incidental to removal.
 - Traffic Control item includes variable message boards as required
- Work in NCDOT Right of Way
- All locations in Downtown Durham will conform to Downtown Durham Standards with a 2-brick soldier course on the back of curb and a brick field at curb ramps.
- At curb ramps where the current curb and gutter needs to be replaced, the new curb and gutter will be installed at the proper elevation. Sometimes this will mean the gutter needs to be paved in with asphalt to make everything compliant.
- Locations – Due to funding and priority changes on going, project locations are not finalized yet; it’s estimated there will be 350 locations. Quantities in Unit price bid table represents the work to be done. Changes in the type of work and line items are not anticipated at this time.
- All curb ramps must be PROWAG compliant
