

On Zoom, 12-1pm.

Present: Marcia Owen, Mike Sstrom, Andrea Hudson, Jatoia Potts, Dwayne Campbell, James Dukes, Marion Bailey, and Jessica Fludd.

Marcia noted the passing of Deloris Eaton and asked Andrea to say a few words of remembrance at tonight's Task Force meeting.

We discussed the four prompts for the RTs to answer for the full Task Force meeting.

Marcia reported that Marion is working on a set of Listening Sessions with families of homicides victims. One with those where no charges were filed and one where charges were filed. We will have at least two CLS RT members present for each. Mike Sstrom will attend both. Muffin and Jatoia will attend one each. Some of our defense attorney RT participants can also attend. If we have fewer than three of the four official RT members present, we won't have to provide an agenda and make these Listening Sessions. We will want to keep attendance very limited and let Marion and the family member participants know ahead of time who will be attending.

We discussed questions we will present to Chief Magistrate Evans in advance of her meeting with us on September 15.
