

VIDE RT  
August 30, 2021

Members present: Samuel Scarborough, Dr. Wanda Boone, Marcia Owen

1. Welcome and Check-In
  - a. Issues with the public accessing the zoom meeting (when participants entered the Zoom meeting, nobody was there)
    - i. Follow-up with Amber
    - ii. Make sure that the recorded videos are available on the city website
  - b. How was everybody's weekend?
2. Reviewing Past Presentations
  - i. Gun reduction strategy has been around for a long time with lots of turnover
    1. Find out what are the organizations or nonprofits (folks) that would be most appropriate to address gun/gang violence
  - ii. GRSC was not connected with other orgs (like BCU)
  - iii. GRSC was a convening of network partners without a strategy to do anything among the network partners (meet n greet).
  - iv. Project build is a county program, BCU is a city program, why don't they work together?
  - v. This RT will create a survey to assess resources availability in communities
  - vi. Durham needs a rehabilitative approach to gun violence reduction as opposed to punitive
3. Updates on Data Collection (James and Dwayne)
  - a. BCU has not responded to follow up questions
    - i. Joanne F. Pierce- General Manger of Public Health & Well-being
4. Additional Thoughts
5. Next Steps
  - a. Listening Sessions
    - i. Project Build RT meeting (Marcia to invite to meeting in two weeks)
      1. The RT will email out questions to ask Project Build
    - ii. Law enforcement
    - iii. People with lived experiences
  - b. Community Engagement
    - i. Inviting folks to join the RT
  - c. Data Analysis
    - i. New data request process
6. Closing
