RE: City of Durham Contract EWP-2021-01 (CT 18395)
Emergency Watershed Protection Streambank Stabilization
Notice to Proceed

Dear Mr. Strader:

The City Manager has executed the construction services contract for the referenced project. This letter shall serve as your Notice to Proceed with an effective date of October 11, 2021. We are enclosing a copy of the fully executed agreement form (section 00 52 15), dated August 30, 2021. We have updated the Project Manual, dated October 4, 2021 on the project web page (<http://durhamnc.gov/4390>).

The preconstruction conference for the project was held on Tuesday, September 21, 2021 at 10:00 am. As discussed during the meeting, Antwon Williams will be managing the construction contract.

We're looking forward to getting the construction project started and to working with you and your staff. Please let us know if you have any questions or concerns moving forward. I can be reached at (919) 560-4326, ext. *30254 or via email at antwon.williams@DurhamNC.gov.

Sincerely,

Antwon Williams
Principal Engineer, Stormwater & GIS Services Division
