(c) Standard Indemnification Provision. (i) The Contractor shall defend, indemnify, and hold harmless Indemnitees from and against all Charges that arise in any manner from, in connection with, or out of this contract as a result of acts or omissions of the Contractor or its derivative parties. In performing its duties under this subsection “c,” the Contractor shall at its sole expense defend Indemnitees with legal counsel reasonably acceptable to City. (ii) “Charges” means claims, judgments, costs, damages, losses, demands, liabilities, duties, obligations, fines, penalties, royalties, settlements, and expenses. Included without limitation within “Charges” are (1) interest and reasonable attorney’s fees assessed as part of any such item, and (2) amounts for alleged violations of sedimentation pollution, erosion control, pollution, or other environmental laws, regulations, ordinances, rules, or orders -- including but not limited to any such alleged violation that arises out of the handling, transportation, deposit, or delivery of the items that are the subject of this contract. By appropriate litigation, each Indemnitee, severally, shall have the right to enforce this section (titled “Indemnification”) directly against the Contractor, but not against the City of Durham.

(d) Restriction regarding Indemnitees’ Negligence. This contract shall not require the Contractor to indemnify or hold harmless Indemnitees against liability for damages arising out of bodily injury to persons or damage to property proximately caused by or resulting from the negligence, in whole or in part, of Indemnitees.

(e) Restriction regarding Fault in Construction Agreements and Design Professional Agreements. If this contract is a construction agreement or design professional agreement, nothing in this contract requires the Contractor to indemnify or hold harmless Indemnitees or any other person or entity against losses, damages, or expenses unless the fault of the Contractor or its derivative parties is a proximate cause of the loss, damage, or expense indemnified.

(f) Restriction regarding Negligence of Design Professionals. Nothing in this contract requires the Contractor, provided that it is a design professional, to defend Indemnitees or any other person or

entity against liability or claims for damages, or expenses, including attorney's fees, proximately caused or allegedly caused by the professional negligence, in whole or in part, of the Contractor, the City, or their derivative parties, whether the claim is alleged or brought in tort or contract.

(g) Liability When at Fault. The parties intend that nothing in this contract shall be construed to exclude from any indemnity or hold harmless provisions enforceable under subsection (d) (Restriction regarding Indemnitees' Negligence) and subsection (e) (Restriction regarding Fault in Construction Agreements and Design Professional Agreements) any attorneys' fees, litigation or arbitration expenses, or court costs actually incurred by the City to defend against third party claims alleged in any court, tribunal, or alternative dispute resolution procedure required of the City by law or by contract, if the fault of the Contractor or its derivative parties is a proximate cause of the attorney's fees, litigation or arbitration expenses, or court costs to be indemnified. Every provision in this contract that violates the parties' intent expressed in the preceding sentence shall be construed and revised to the extent that it is lawful in order to make the provision conform with such intent.

(h) Insurance Contracts and Bonds. This Section does not affect an insurance contract, workers' compensation, or any other agreement issued by an insurer; and this Section does not apply to lien or bond claims asserted under Chapter 44A of the N.C. General Statutes.

(i) Other Provisions. Every provision in this contract that violates subsection (d) (Restriction regarding Indemnitees' Negligence), subsection (e) (Restriction regarding Fault in Construction Agreements and Design Professional Agreements), or subsection (f) (Restriction Regarding Negligence of Design Professionals) shall be construed and revised to the extent that it is lawful in order to make the provision conform with those subsections.

(j) Survival. This Section shall remain in force despite termination of this contract (whether by expiration of the term or otherwise) and termination of the services of the Contractor under this contract.

(k) Compliance with Law. This Section shall be applied to the maximum extent allowed by law but it shall be construed and limited as necessary to comply with N.C.G.S. § 22B-1. This Section is not to be construed in favor or against any party as the drafter. The preceding sentence is not intended to imply or direct how the remainder of this Section or of this contract is to be construed.

Sec. 12. Trade Secrets; Confidentiality. The request for proposals (RFQ) section titled "Trade Secrets and Confidentiality" shall apply to any Trade Secrets disclosed to the City during the process leading to the parties' entering into this Contract (including all of the Contractor's responses to the RFP). This section (titled "Trade Secrets; Confidentiality") shall remain in force despite termination of this contract (whether by expiration of the term or otherwise) and termination of the services of the Contractor under this contract. For purposes of this contract, the word "candidate" in the RFP section just cited shall mean the "Contractor."

Sec. 13. Termination for Convenience ("TFC"). (a) *Procedure*. Without limiting any party's right to terminate for breach, the parties agree that the City may, without cause, and in its discretion, terminate this contract for convenience by giving the Contractor written notice that refers to this section. TFC shall be effective at the time indicated in the notice. (b) *Obligations*. Upon TFC, all obligations that are still executory on both sides are discharged except that any right based on prior breach or performance survives, and the indemnification provisions and the section of this contract titled Trade Secrets and confidentiality, if any, shall remain in force. At the time of TFC or as soon afterwards as is practical, the Contractor shall give the City all Work, including partly completed Work. In case of TFC, the Contractor shall follow the City's instructions as to which subcontracts to terminate. (c) *Payment*. The City shall pay the Contractor an equitable amount for the costs and charges that accrue because of the City's decisions with respect to the subcontracts, but excluding profit for the Contractor. Within 20 days after TFC, the City shall pay the Contractor one hundred dollars as a TFC fee and shall pay the Contractor for all Work performed except to the extent previously paid for. Work shall be paid for in accordance with the method (unit prices, hourly fees, etc.) to be used for payment had the Work been completed except to

the extent it would be inequitable to either party, and if Work was to be paid for on a lump-sum basis, the City shall pay the part of the lump sum that reflects the percentage of completion attained for that Work. The Contractor shall not be entitled to any payment because of TFC except as stated in this section, whether on the basis of overhead, profit, damages, other economic loss, or otherwise.

Sec. 14. State Law Provisions.

E-Verify Requirements. (a) If this contract is awarded pursuant to North Carolina General Statutes (NCGS) 143-129 – (i) the contractor represents and covenants that the contractor and its subcontractors comply with the requirements of Article 2 of Chapter 64 of the NCGS; (ii) the words "contractor," "contractor's subcontractors," and "comply" as used in this subsection (a) shall have the meanings intended by NCGS 143-129(j); and (iii) the City is relying on this subsection (a) in entering into this contract. (b) If this contract is subject to NCGS 143-133.3, the contractor and its subcontractors shall comply with the requirements of Article 2 of Chapter 64 of the NCGS.

Sec. 15. Ownership of Work Products.

(a) The Contractor hereby assigns to the City, without reservation, all copyrights in all Project-related documents, models, photographs, and other expression created by the Contractor. Among those documents are certain "Work Product," including the design drawings and the Construction Documents. The City's obligation to pay the Contractor is expressly conditioned upon the Contractor's obtaining a valid written comprehensive assignment of copyrights from its consultants in terms identical to those that obligate the Contractor to the City as expressed in this subsection, which copyrights the Contractor, in turn, hereby assigns to the City. The City, in return, hereby grants the Contractor and its subcontractors and sub consultants a revocable, nonexclusive license to reproduce the documents for purposes relating directly to the Contractor's performance of its obligations under this Agreement for the Contractor's archival records, and for the Contractor's reproduction of drawings and photographs in the Contractor's marketing materials. This nonexclusive license shall terminate automatically upon the occurrence of either a breach of this Agreement by the Contractor or the accused commission by the Contractor of a tort or a crime affecting the City or the project or upon termination of this Agreement. This nonexclusive license is granted to the contractor alone and shall not be assigned by the Contractor to any other person or entity, except that the non-exclusive license granted in this Agreement to the Contractor for purposes of the Contractor's performance hereunder may be sub-licensed to the Contractor's subcontractors or subconsultants (with the same limitations). Subject to the foregoing, this nonexclusive license shall terminate automatically upon a Consultant's assignment of this nonexclusive license to another or its attempt to do so.

(b) To the extent that liability arises from misuse of the Work Product by the City or another consultant or designer, the Contractor shall not be responsible for that misuse. If the City uses the Work Products for purposes including additions to and modifications of the project, and for other projects, the City shall indemnify the Contractor for losses, including reasonable attorneys' fees, suffered by the Contractor as a result of the use of the design and these documents for such other purposes. If these documents are used for other purposes, the City shall see that they are modified (i) to indicate that the Contractor did not prepare them for such other purposes and is not responsible for their use in connection with such other purposes and (ii) to delete the Contractor's name and seal from the documents (where permitted or required by law).

(c) Except for the licenses granted in this Section 15, no other license or right shall be deemed granted or implied under this Agreement. No other project-related data, expression, or documents may be reproduced by the Contractor or its subcontractors or subconsultants for any other purposes without the express written permission of the City.

(d) If the City subsequently reproduces project-related documents or creates a derivative work based upon project-related documents created by the Contractor, the City shall (where permitted or required by law) remove or completely obliterate the original professional's seals, logos, and other

indications on the documents of the identity of the Contractor and its subcontractors or subconsultants.

Sec. 16. Standard of Care. The standard of care for all professional engineering and related services performed or furnished by Contractor under this Agreement will be the care and skill ordinarily used by members of the subject profession practicing on similar projects whether such projects can be found locally, regionally or nationally. Subject to the foregoing standard of care, Contractor and its consultants may use or rely upon design elements and information ordinarily or customarily furnished by others, including, but not limited to, specialty contractors, manufacturers, suppliers, and the publishers of technical standards. The Contractor warrants the accuracy of Contractor's representations made to City as to Contractor's qualifications and experience during the process in which the City selected the Contractor. The Contractor represents that it is registered, licensed, and authorized to practice engineering in North Carolina.

Sec. 17. Dispute Resolution and Compensation for Contractor's Errors.

(a) Dispute Resolution -- The City and Contractor agree to negotiate each dispute between them in good faith during the 30 days after providing the other party with a notice of dispute. If negotiations are unsuccessful in resolving the dispute, then the City and Contractor may agree to mediation. If mediation is used and is unsuccessful, then the parties may exercise their rights at law. If, however, such dispute arises after the City has engaged a general contractor for construction work and during the construction administration phase, if any, the City and Contractor may avail themselves of the dispute resolution process adopted by the State Building Commission pursuant to G.S. § 143-135.26(11) and G.S. § 143-128(f1).

(b) Compensation for Contractor Design Errors -- If (i) the Contractor creates plans or specifications containing an error that causes actual construction of a portion of the work that needs to be changed solely because of the Contractor's error, and, (ii) the City elects to apply this Section 17(b), the Contractor shall pay the City all costs of correcting the error, including an amount to compensate the City for time spent by City's employees because of the error without regard to what other services those employees might have done for the City had the error not occurred.

(i) (Unforeseen Conditions) An error shall not be grounds for payment under this Section 17(b) if the error occurred because of physical conditions were:
not in fact known to the Contractor,
not in fact known to the Contractor's consultants,
not readily apparent to the Contractor, and
not readily apparent to the Contractor's consultants.

(ii) (Cost of Employees' Time) The cost of the employees' time will be calculated as follows: the time spent by any salaried employee of the City because of the error shall be compensated at an hourly rate equal to the employee's gross salary (using standards to determine gross salary for federal income tax purposes) during the applicable fiscal year of the City divided by the number of hours worked by that employee for the City during that fiscal year.

(iii) (Limits on Double Payments) If this Section 17(b) is applied to compensate the City for an error, the Contractor shall not owe the City any other compensation to remove the erroneously built work and replace it with correct work. However, the payment of such compensation or the application of this Section 17(b) shall not affect liability to the Contractor for personal injury or damage to property. (In the preceding sentence, "damage to property" excludes the damage suffered by the City for the cost of replacing the erroneously installed work for which this paragraph provides compensation, but it includes all other general, special, consequential, or other kinds of damage resulting from the error.)

(iv) (Limit on Use of Payment against Contractor) A payment by the Contractor pursuant to this Section 17(b) shall be considered a compromise, and the City shall not introduce the fact of the payment in any legal action or proceeding except to the extent that compromises are admissible.

(v) (Nonpayment Hereunder Not to Prevent Other Claims) If this Section 17(b) is not applied

by the City so as to compensate the City for an error, this Section 17(b) shall not be used to construe this Agreement so as to reduce any remedy that is available to the City because of that error. For example, to the extent an error is not compensated for because of the amount exceeds the insurance deductible, the City will not be deemed to have waived a claim for any damages arising from the error.

Sec. 18. Miscellaneous

(a) Choice of Law and Forum; Service of Process. (i) This contract shall be deemed made in Durham County, North Carolina. This contract shall be governed by and construed in accordance with the law of North Carolina. The exclusive forum and venue for all actions arising out of this contract shall be the North Carolina General Court of Justice, in Durham County. Such actions shall neither be commenced in nor removed to federal court. This subsection (a) shall not apply to subsequent actions to enforce a judgment entered in actions heard pursuant to this subsection. (ii) If the Contractor is not a natural person (for instance, the Contractor is a corporation or limited liability company), this subsection (ii) applies. "Agent for Service of Process" means every person now or hereafter appointed by the Contractor to be served or to accept service of process in any State of the United States. Without excluding any other method of service authorized by law, the Contractor agrees that every Agent for Service of Process is designated as its non-exclusive agent for service of process, summons, and complaint. The Contractor will instruct each Agent for Service of Process that after such agent receives the process, summons, or complaint, such agent shall promptly send it to the Contractor. This subsection (ii) does not apply while the Contractor maintains a registered agent in North Carolina with the office of the N. C. Secretary of State and such registered agent can be found with due diligence at the registered office.

(b) Waiver. No action or failure to act by the City shall constitute a waiver of any of its rights or remedies that arise out of this contract, nor shall such action or failure to act constitute approval of or acquiescence in a breach thereunder, except as may be specifically agreed in writing.

(c) Performance of Government Functions. Nothing contained in this contract shall be deemed or construed so as to in any way estop, limit, or impair the City from exercising or performing any regulatory, policing, legislative, governmental, or other powers or functions.

(d) Severability. If any provision of this contract shall be unenforceable, the remainder of this contract shall be enforceable to the extent permitted by law.

(e) Assignment, Successors and Assigns. Without the City's written consent, the Contractor shall not assign (which includes to delegate) any of its rights (including the right to payment) or duties that arise out of this contract. The City Manager may consent to an assignment without action by the City Council. Unless the City otherwise agrees in writing, the Contractor and all assignees shall be subject to all of the City's defenses and shall be liable for all of the Contractor's duties that arise out of this contract and all of the City's claims that arise out of this contract. Without granting the Contractor the right to assign, it is agreed that the duties of the Contractor that arise out of this contract shall be binding upon it and its heirs, personal representatives, successors, and assigns.

(f) Compliance with Law. In performing all of the Work, the Contractor shall comply with all applicable law.

(g) Notice of City Policy. THE CITY OPPOSES DISCRIMINATION ON THE BASIS OF RACE AND SEX AND URGES ALL OF ITS CONTRACTORS TO PROVIDE A FAIR OPPORTUNITY FOR MINORITIES AND WOMEN TO PARTICIPATE IN THEIR WORK FORCE AND AS SUBCONTRACTORS AND VENDORS UNDER CITY CONTRACTS.

(h) EBOP. The Contractor shall comply with all applicable provisions of Article III of Chapter 18 of the Durham City Code (Equal Business Opportunities Ordinance), as amended from time to time. The failure of the Contractor to comply with that article shall be a material breach of contract which may result in the rescission or termination of this contract and/or other appropriate remedies in accordance with the provisions of that article, this contract, and State law. The Participation Plan submitted in accordance with that article is binding on the Contractor. Section 18-59(f) of that article provides, in part,

“If the City Manager determines that the Contractor has failed to comply with the provisions of the Contract, the City Manager shall notify the Contractor in writing of the deficiencies. The Contractor shall have 14 days, or such time as specified in the Contract, to cure the deficiencies or establish that there are no deficiencies.” It is stipulated and agreed that those two quoted sentences apply only to the Contractor’s alleged violations of its obligations under Article III of Chapter 18 and not to the Contractor’s alleged violations of other obligations.

(i) Limited Third Party Rights Created. This contract is intended for the benefit of the City and the Contractor and not any other person, except to the extent otherwise expressly stated in this contract.

(j) Principles of Interpretation and Definitions. (1) The singular includes the plural and the plural the singular. The pronouns “it” and “its” include the masculine and feminine. References to statutes or regulations include all statutory or regulatory provisions consolidating, amending, or replacing the statute or regulation. References to contracts and agreements shall be deemed to include all amendments to them. The words “include,” “including,” etc. mean include, including, etc. without limitation. (2) References to a “Section” or “section” shall mean a section of this contract. (3) “Contract” and “Agreement,” whether or not capitalized, refer to this instrument. (4) “Duties” includes obligations.
